Stay Connected to Your  
Customers and Business,  
Even While on the Go

## Download the Free App to Manage Your Business Right from Your Phone

Core, in your pocket.

You can't be at your business 24/7, but now your business can always be with you thanks to the SpotOn Business Dashboard for iOS and Android. The Business Dashboard app connects you to live payment data from your business and also gives you remote access to SpotOn Core, the customer engagement tools at the heart of your SpotOn platform.

- ✔ View live payment data, including daily deposits and batch reports
- ✔ Send marketing campaigns to connect with your customers via email, social media, and mobile alerts
- ✔ Monitor your business's online reviews
- ✔ Manage your loyalty rewards program (optional offering)
- ✔ View customer data to assess the effectiveness of your marketing efforts

Payment Processing.  
Customer Engagement Tools.  
No Fuss.

Download the SpotOn Mobile Dashboard for free from the iPhone App Store or Google Play, and if you haven't already, partner with SpotOn to do more with less.
