

The SpotOn Mobile Dashboard

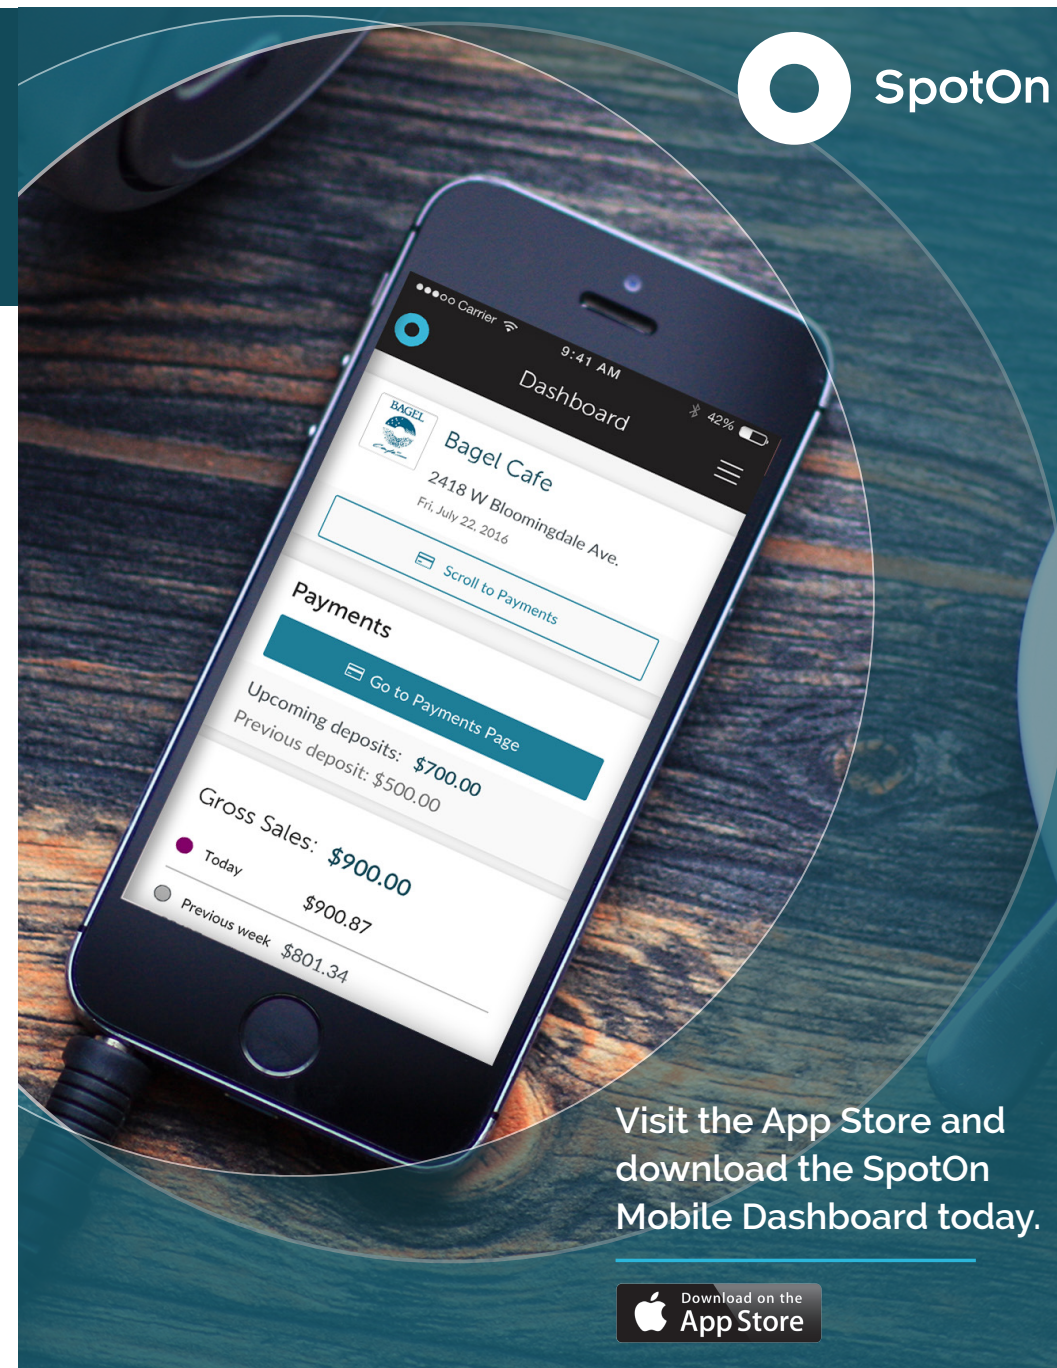

An amazingly simple way to stay connected to your customers and business when you're on-the-go.

You can't be at your business 24/7, **but now your business can always be with you** thanks to the SpotOn Mobile Dashboard for iOS.

With your iPhone you'll be able to:

- See sales data, average spend per transaction, ROI for campaigns and more (SpotOn Payments merchants only)
- Receive push notifications when new reviews are posted
- Monitor your metascore (the average score from online review sites)
- Create and send marketing emails, deals or social posts
- Track which campaigns work best
- Access and view your dashboard
- Add customers to your list

You'll be able to manage your business from anywhere, at anytime.

Visit the App Store and download the SpotOn Mobile Dashboard today.
