PROCESSING TERMS AND CONDITIONS

While all terms in this AGREEMENT are important, here is a summary of some sections on which ISO occasionally receives questions. These are common clauses in merchant processing agreements throughout the payment processing industry.

- The introductory paragraphs explain that **the AGREEMENT consists of other documents** in addition to this Merchant Transaction Processing Agreement.
- **ISO and BANK can amend** this AGREEMENT by providing MERCHANT with 30 days' notice (see section 13.10).
- **The initial term** of this Merchant Agreement is three years.
- The proceeds MERCHANT receives from transactions are **provisional credits**. ISO and/or BANK can charge or debit MERCHANT's bank account to recover these provisional credits. ISO and/or BANK can also debit MERCHANT'S bank account to recover other amounts that you may owe us (see Section 3.8).
- **If MERCHANT disputes** any charge or funding, MERCHANT must notify ISO within 90 days of the date of the statement (see section 7.5).
- In some circumstances, ISO and/or BANK may require MERCHANT to establish a **reserve account** to mitigate risks (See Section 3.9).
- ISO's **processing fees** are set out in detail in the Merchant Application. **ISO may change these fees**, but will notify MERCHANT before doing so (see Section 3.5).
- This agreement contains an **arbitration clause** (see Section 13.3).
- This agreement is a **complete and final agreement between the parties**. It supersedes any previous negotiations the parties may have had on the services and products. (Section 13.7).
- The Financial Crimes Enforcement Network requires BANK to identify and verify the identity of the **beneficial owners of legal entity merchants**. BANK requires ISO to gather this information on its behalf.

This Merchant Transaction Processing Agreement (together with its addenda, attachments, and schedules shall be hereinafter known as the "AGREEMENT"), is by and among the parties in the Merchant Application (the "PARTIES"). The AGREEMENT shall become effective as set out in the signature block of the Merchant Application.

- WHEREAS, BANK is a Member of VISA, Inc. ("VISA") and Mastercard International, Inc. ("MASTERCARD"), and provides transaction processing and other services and products ("SERVICES") in relation to financial service cards issued by VISA, MASTERCARD, and other financial service card organizations, including ATM/Debit networks (together herein known as "CARD(S)"); VISA, MASTERCARD, ATM/Debit Networks, and the other financial service card organizations shall be collectively known as "CARD BRANDS";
- WHEREAS, MERCHANT, in furtherance of its business operations, wishes to accept CARDS and have BANK process the resulting transactions ("SALES") pursuant to the terms and conditions set out below. For purposes of this AGREEMENT, ATM/Debit transactions shall mean those transactions processed on an ATM/Debit network ("NETWORK(S)") in an on-line real time environment requiring the entry of a personal identification number ("PIN");
- WHEREAS, MERCHANT may desire to be sponsored as a participant in certain NETWORKS, under the terms of the rules and regulations of each such NETWORK;
- WHEREAS, CARD BRANDS, NETWORKS, ISO, and BANK each have adopted rules and regulations relating to all aspects of SALES and SERVICES. Such rules and regulations, as amended from time to time, are incorporated herein by this reference and shall be referred to as the "RULES"; and
- WHEREAS, MERCHANT understands that this is an agreement for transaction processing and that the DISCOUNT (as defined herein) for the SERVICES is calculated based on certain factors, including without limitation, the term of this AGREEMENT, the number of transactions processed, the business type, the type of goods and/or services sold, and the method of processing.
- WHEREAS, BANK has assigned and/or delegated some of its rights and obligations under this AGREEMENT to TSYS Merchant Solutions, LLC ("TMS"); provided however that it is able to do so by the CARD BRANDS, NETWORKS, RULES, and any applicable law. To the extent that BANK has assigned and/or delegated rights and/or obligations to TMS under any particular provision of this AGREEMENT, references to BANK in such provisions shall include TMS.;
- WHEREAS, all applicable ADDENDA are attached hereto and are made a part of this AGREEMENT.

NOW, THEREFORE, in consideration of the mutual promises made herein and other valuable consideration, receipt and sufficiency of which are hereby acknowledged, the PARTIES do hereby agree as follows:

1. GENERAL:

- 1.1 As a result of MERCHANT submitting SALES for processing to BANK, BANK will process such SALES and credit or debit MERCHANT's DESIGNATED ACCOUNT (as defined herein) with the resulting financial proceeds of such SALES, provided, however, that no payment for SALES will take place unless and until BANK has received payment for such SALES from the CARD BRANDS. In addition, when a disputed transaction ("CHARGEBACK") occurs, MERCHANT agrees to provide all requested information to BANK and BANK agrees to forward such information to the CARD BRANDS in accordance with the RULES and the CARD BRANDS' dispute resolution guidelines. BANK is not responsible for the outcome of any CHARGEBACK.
- 1.2 The CARDS designated herein will be processed under the terms and conditions of the AGREEMENT as long as BANK is contractually permitted to offer such SERVICES by the respective CARD BRANDS.

- 1.3 On an exclusive basis, MERCHANT agrees to submit all SALES for processing from CARDS accepted in MERCHANT's business as described in the Merchant Application to BANK in accordance with the RULES and pursuant to the terms of this AGREEMENT.
- 1.4 MERCHANT and BANK agree to abide by the RULES, a summary of which is attached hereto as the CARD BRAND RULES and the ATM/DEBIT NETWORK RULES. The attached summaries are incorporated into the collective definition of the RULES. BANK and CARD BRANDS may from time to time amend the RULES or operating procedures related to SALES and SERVICES. MERCHANT has been supplied with a summary of the RULES and by signing AGREEMENT, acknowledges that it has reviewed them. MERCHANT agrees to comply with all applicable state, federal and local laws, rules and regulations ("LAWS"). MERCHANT agrees to assist BANK in complying in a complete and timely manner with all LAWS and RULES now or hereafter applicable to any SALE or this AGREEMENT. MERCHANT will execute and deliver to BANK all such instruments that BANK may from time to time deem necessary. It is MERCHANT's responsibility to know all applicable LAWS and the RULES that apply to MERCHANT's acceptance of CARDS and to ensure that MERCHANT's equipment complies with all LAWS and RULES. MERCHANT agrees to indemnify, defend, and hold TMS and BANK harmless from and against any and all fines, fees, penalties, assessments, charges, claims, losses, costs or damages (including reasonable legal fees and court costs), judgements, and/or reimbursements that are imposed on, incurred by, levied upon, or otherwise assessed against TMS and/or BANK by any CARD BRAND, any NETWORK, or any governmental, administrative, or regulatory body as a result of MERCHANT's breach of this AGREEMENT or its failure to comply with applicable LAWS or RULES.
- 1.5 MERCHANT agrees that it will not use for its own purposes, will not disclose to any third party, and will retain in strictest confidence all information and data belonging to or relating to the business of BANK, including but not limited to the terms of this AGREEMENT, and will safeguard such information and data by using a reasonable degree of care but in no event less than the same degree of care that MERCHANT uses to protect its own confidential information.
- 1.6 Security Standards.
- A. MERCHANT agrees it will not disclose to any third party any cardholder account information or other personal information except to their agent assisting in completing a card transaction, or as required by LAWS or RULES. MERCHANT must not request or use cardholder account number information for any purpose that MERCHANT knows or should have known to be fraudulent or in violation of the RULES, or for any purpose that the cardholder did not authorize, except to MERCHANT's agent assisting in completing a card transaction, or as required by law. MERCHANT must keep all systems and media containing account, cardholder or transaction information (physical or electronic, including but not limited to account numbers, card imprints, and terminal identification numbers) in a secure manner, to prevent access by or disclosure to anyone other than MERCHANT's authorized personnel. MERCHANT must destroy, in a manner that will render the data unreadable, all such media that MERCHANT no longer deems necessary or appropriate to store (except for Sales Drafts maintained in accordance with this AGREEMENT, LAWS or RULES). Further, MERCHANT must take all steps reasonably necessary to ensure cardholder information is not disclosed or otherwise misused. MERCHANT may not retain or store magnetic stripe, chip, CVV2 or CVC2 data after authorization. MERCHANT must not store, and must ensure that all of MERCHANT's third party providers that have access to cardholder data do not store, magnetic stripe, chip, CVV2 or CVC2 data after a transaction.
- B. If MERCHANT uses any third parties who will have access to cardholder data ("Merchant Provider(s)"), or any third party payment application(s) or software, MERCHANT must notify BANK of the identity of the Merchant Provider(s) and/or the name and version of the payment application(s) or software. In addition, MERCHANT must: (1) only allow the Merchant Providers access to the cardholder data for purposes that are authorized by the RULES, (2) have proper security measures in place for the protection of cardholder data, (3) ensure that Merchant Providers have proper security measures in place for the protection of cardholder data, (4) comply with and assure that Merchant Providers comply with the Payment Card Industry ("PCI") Data Security Standard, as amended from time to time, which may be referred to as the Visa Cardholder Information Security Program ("CISP") (found at www.visa.com) and the Mastercard Site Data Protection Program ("SDP") (found at www.Mastercard.com) and (5) have written agreements with Merchant Providers requiring the compliance set forth herein. MERCHANT will immediately notify BANK of any suspected or confirmed loss or theft of any transaction information, including any loss or theft from a Merchant Provider. MERCHANT is responsible for demonstrating MERCHANT's and Merchant Providers' compliance with the CISP, SDP, DISC, DSOP, and PCI programs, and providing reasonable access to MERCHANT's locations and ensuring Merchant Providers provide reasonable access to their locations to verify MERCHANT's and Merchant Providers' ability to prevent future security violations. Any fees, fines or penalties resulting from non-compliance will be passed through to MERCHANT. MERCHANT agrees to indemnify BANK and the CARD BRANDS against all costs, expenses, damages and/or losses resulting from any breach of security, or loss or theft of information.
- C. In addition, in the event of a suspected or confirmed loss or theft of information, MERCHANT agrees, at MERCHANT's cost, to provide all information requested by BANK, a CARD BRAND, other financial institutions, or local, state or federal officials in connection with such event and to cooperate in any ensuing investigation. Any information provided in response to such investigation will (as between MERCHANT and BANK) be considered BANK's confidential information. MERCHANT agrees that BANK may release to the CARD BRANDS, other financial institutions and/or regulatory, local, state or federal officials, any information MERCHANT provides to BANK in connection with a suspected or confirmed loss or theft of transaction information. The requirements of this provision apply to cardholder data regardless of the medium in which the information is contained and regardless of whether MERCHANT processes transactions via Internet, mail, phone, face-to-face or any other method. Additional information regarding data security may be found at the CARD BRANDS' websites.
- 1.7 Submission by MERCHANT of SALES or participation in SERVICES at any time after seven (7) days from the date of distribution of or publication by the CARD BRANDS of amended RULES to MERCHANT shall be evidence that MERCHANT was provided with and/or received access to the amended RULES and has agreed to abide by them.

- 1.8 If MERCHANT is a healthcare provider or other entity covered by the Health Insurance Portability and Accountability Act of 1996, as amended, and the supporting regulations under 45 C.F.R. Part 160 and 164, as amended, MERCHANT agrees it will not provide BANK with Protected Healthcare Information (as defined in such act).
- 1.9 ISO acknowledges that it is responsible for the security of MERCHANT's cardholder account information that ISO stores, processes, or transmits on behalf of MERCHANT, to the extent such cardholder account information is in the possession of ISO, subject to the terms and conditions as set forth in this AGREEMENT. MERCHANT must secure written acknowledgement from any other vendors or service providers that store, process, or transmit cardholder account information on behalf of MERCHANT, or otherwise could impact the security of MERCHANT's cardholder account information, that such vendor or service provider is responsible for the security of such cardholder account information.
- 1.10 ISO may implement such risk mitigation tools on its processing systems as ISO deems appropriate to mitigate the risk of data security breaches, fraud losses, and similar issues. To the extent that MERCHANT requests any such risk mitigation tools be disengaged as to its processing account, and to the extent that ISO agrees to do so in its sole discretion, MERCHANT agrees that it assumes all risk of loss that could have been mitigated or prevented by such risk mitigation tools.

2. SPECIFIC OPERATING PROCEDURES:

- 2.1 MERCHANT agrees that it will comply with all Card Acceptance Procedures in the RULES for each SALE, including, but not limited to the following:
 - A. MERCHANT agrees that it will obtain and record a valid positive authorization for all SALES in accordance with the RULES before submitting them to BANK for processing;
 - B. MERCHANT must be able to prove, by evidence of a terminal capture of the magnetic stripe or chip or a signed SALES DRAFT (as defined in the RULES) showing imprint of the CARD, that the CARD was present at the time of SALE, unless specifically set up for Card Not Present transactions; and
 - C. Failure to read the magnetic stripe or chip on the card may result in a DISCOUNT rate tier downgrade or a CHARGEBACK.
- 2.2 BANK and/or third party banks with which BANK has a relationship are members of certain NETWORKS and are willing to sponsor MERCHANT as a participant in such NETWORKS ("SPONSOR") as set forth in the Merchant Application. Additional NETWORKS may be available from time to time. BANK does not warrant the continuing availability of any NETWORK. MERCHANT agrees to pay BANK the then current FEES for any NETWORK added or deleted after the effective date of this AGREEMENT. MERCHANT hereby delegates to BANK the authority to decide to which NETWORK a given debit transaction will be routed.
- 2.3 MERCHANT agrees to accept valid CARDS of each of the selected NETWORKS and any minimums, maximums or surcharges imposed by MERCHANT will be in accordance with the NETWORKS, RULES and LAWS. MERCHANT agrees to comply with Federal Regulation E and the rules, procedures, fees, assessments, penalties, and other obligations of each NETWORK, as from time to time are in effect.
- 2.4 BANK may provide MERCHANT access through MERCHANT's terminals to the NETWORKS as set forth herein.
- 2.5 MERCHANT must Batch Out each POS terminal every day. Failure to Batch Out daily will delay the deposit of funds. "Batch Out" is the process by which MERCHANT totals and settles all transactions, on each POS terminal, which occurred before midnight (12:00 a.m.) and transmits the information to BANK. In all cases, MERCHANT must present the record within three (3) business days after the transaction date, unless otherwise permitted by the RULES. Transactions contained in an untimely Batch Out may incur higher rates, be refused, be held for a one hundred eighty (180) day period, or become subject to a CHARGEBACK. MERCHANT is responsible for re-submitting a Batch Out or a sales ticket if the POS terminal fails to properly Batch Out or if sales ticket data does not process through the normal payment cycle. BANK is not liable to MERCHANT for higher rates or for amounts BANK did not collect, including but not limited to amounts collected by third party service providers.

3. PAYMENT OF SUMS DUE:

- 3.1 MERCHANT agrees to pay BANK the fees as set forth in the Merchant Application and all other sums owed to BANK for SALES and SERVICES as set forth in this AGREEMENT as amended from time to time ("FEES"). FEES include but are not limited to all CHARGEBACKS. MERCHANT agrees that it is jointly and severally liable for all FEES, charges, and other sums owed to BANK by any affiliated entities of MERCHANT.
- 3.2 As set out in the Merchant Application and the Rate Descriptions, discount ("DISCOUNT") is a FEE charged as a percentage of gross SALES submitted by MERCHANT, which generally includes "Processing," "Authorizations," "Assessments," and "Interchange." Assessments and Interchange are the standard fees that the CARD BRANDS charge for the clearing of SALES transactions and are subject to change by the CARD BRANDS. BANK has no direct control over these fees. Any adjustment in Interchange and Assessments by the CARD BRANDS may result in an adjustment to MERCHANT's DISCOUNT. BANK will notify MERCHANT in writing of any change in FEES caused by action of CARD BRANDS prior to any such change becoming effective. If permitted by the CARD BRANDS, notice to MERCHANT of any change in FEES caused by CARD BRANDS may be less than thirty (30) days.
- 3.3 DISCOUNT is quoted by BANK based on the information supplied by MERCHANT as set forth in the Merchant Application. MERCHANT agrees that the FEES are based on the term of this AGREEMENT, the method of processing, and the information set forth in the Merchant Application. MERCHANT agrees that such information is a material fact in the calculation of the DISCOUNT and other FEES. MERCHANT agrees that if such information is shown to be incorrect or if such information changes, BANK may amend FEES on less than thirty (30) days notice as set out herein and/or add FEES on less than thirty (30) days notice to reflect such change, unless prohibited by the CARD BRANDS. MERCHANT agrees to pay such amended and/or additional FEES.
- 3.4 MERCHANT agrees that FEES not listed in the AGREEMENT will be charged at BANK's current rate.
- 3.5 The FEES may be amended by BANK on thirty (30) days written notice to MERCHANT unless provided otherwise herein.

- 3.6 MERCHANT agrees to pay BANK for CHARGEBACKS related to SALES or SERVICES. MERCHANT understands that BANK is in no way financially responsible for CHARGEBACKS. Failure to comply with the RULES will increase MERCHANT's exposure to CHARGEBACKS. MERCHANT's obligation to pay CHARGEBACKS shall survive the termination or expiration of AGREEMENT.
- 3.7 If the CARD BRANDS or a regulatory body governing BANK should levy a fine or penalty or assess a charge to BANK as a result of MERCHANT's SALES or SERVICES or CHARGEBACK activity, MERCHANT agrees to pay such fines, penalties, or charges, and any administrative fees associated with same.
- 3.8 MERCHANT shall establish a designated account at the institution of its choice ("DESIGNATED ACCOUNT") for the credit and debit of sums between the PARTIES. MERCHANT, pursuant to the Funds Transfer Instructions set out herein, authorizes BANK to make deposits and withdrawals from the DESIGNATED ACCOUNT. MERCHANT hereby grants to BANK a security interest and lien upon the DESIGNATED ACCOUNT to secure all of MERCHANT's (or any related entity under MERCHANT's control) obligations to BANK under this AGREEMENT. If required by BANK, MERCHANT agrees to cooperate with BANK and the depository bank maintaining the DESIGNATED ACCOUNT to cause a Control Agreement to be executed with respect to the DESIGNATED ACCOUNT. MERCHANT agrees to maintain a balance in the DESIGNATED ACCOUNT in an amount specified by BANK and MERCHANT agrees to deposit funds into the DESIGNATED ACCOUNT so that the minimum balance required by BANK is maintained. If this AGREEMENT is terminated for any reason, the DESIGNATED ACCOUNT shall be maintained for a period of one hundred eighty (180) days, plus the period of any warranty or guarantee on goods and/or services sold by MERCHANT and processed as SALES, from the date of the last SALE processed by MERCHANT under AGREEMENT. BANK may recoup and debit from the DESIGNATED ACCOUNT all non-VISA and non-MASTERCARD related FEES and other obligations due to BANK under this AGREEMENT or any other agreement MERCHANT or MERCHANT's related entities have with BANK without prior notice to MERCHANT. BANK may recoup and debit from the DESIGNATED ACCOUNT all FEES and other obligations due to BANK under this AGREEMENT or any other agreement MERCHANT or MERCHANT's related entities have with BANK without prior notice to MERCHANT. After all obligations of MERCHANT under this AGREEMENT are satisfied in full, the balance in the DESIGNATED ACCOUNT, if any, shall be paid to MERCHANT. MERCHANT agrees to indemnify and hold harmless all financial institutions from any loss or claim incurred for acting on instructions from BANK with respect to the DESIGNATED ACCOUNT. MERCHANT agrees not to pledge or assign the DESIGNATED ACCOUNT, any proceeds of it or any other amounts due BANK under this AGREEMENT to any person or entity and MERCHANT shall continually maintain the DESIGNATED ACCOUNT free from all liens and encumbrances. In the event a RESERVE ACCOUNT, as defined below, is established, MERCHANT authorizes BANK to make withdrawals from the DESIGNATED ACCOUNT to replenish the RESERVE ACCOUNT as necessary.
- 3.9 MERCHANT agrees to provide BANK with a deposit in the amount of money required by BANK ("RESERVE ACCOUNT"), if determined necessary by BANK: (i) at the time this AGREEMENT is executed; (ii) if in the opinion of BANK, information received or discovered about MERCHANT reflects an adverse change in status; (iii) in the event that any information requested by BANK is not received; (iv) upon the notice of termination or expiration of the AGREEMENT; or (v) at any time during the term of this AGREEMENT. BANK may withhold the payment for SALES in an amount reasonably determined by BANK as necessary to secure payment by MERCHANT of all FEES and other obligations under this AGREEMENT and the amounts so withheld shall be deposited into the RESERVE ACCOUNT. If there is not enough money retained to cover the anticipated FEES, BANK may require MERCHANT to remit additional funds. The RESERVE ACCOUNT shall be maintained in a bank account with BANK in the name of BANK and under the sole control of BANK, and MERCHANT grants to BANK a security interest and lien upon the RESERVE ACCOUNT to secure all of MERCHANT's obligations to BANK under this AGREEMENT. If this AGREEMENT is terminated for any reason, the RESERVE ACCOUNT shall be maintained for a period of one hundred eighty (180) days, plus the period of any warranty or guarantee on goods and/or services sold by MERCHANT and processed as SALES, from the date of the last SALE processed by MERCHANT under AGREEMENT, or for such longer period if determined necessary by BANK in their reasonable discretion to protect BANK from future risk of loss. BANK may recoup and debit from the RESERVE ACCOUNT all FEES and other obligations due to BANK under this AGREEMENT without prior notice to MERCHANT. After all obligations of MERCHANT under this AGREEMENT are satisfied in full, the balance in the RESERVE ACCOUNT, if any, shall be paid to MERCHANT.
- 3.10 BANK agrees to pay MERCHANT for SALES less FEES owed to BANK by MERCHANT. BANK shall recoup and deduct FEES from incoming transactions or recoup and debit the same from MERCHANT's DESIGNATED ACCOUNT or the RESERVE ACCOUNT. MERCHANT agrees that BANK has the right to deduct these FEES at any time including on a daily basis if necessary. BANK is not obligated to pay MERCHANT or credit the DESIGNATED ACCOUNT for any SALES transmitted or delivered to BANK after MERCHANT becomes insolvent, ceases to do business, or dissolves.
- 3.11 BANK has the right of recoupment and set-off. This means that BANK may recoup and offset any outstanding or uncollected amounts owed to BANK under this AGREEMENT from: (i) any amounts BANK would otherwise be obligated to deposit into the DESIGNATED ACCOUNT, and (ii) any other amounts BANK may owe MERCHANT under this AGREEMENT or any other agreement.
- 3.12 If MERCHANT does not pay any sums due within thirty (30) days from date of notice, BANK will charge, and MERCHANT agrees to pay, a late fee of one and one-half percent (1.5%) per month on the balance outstanding or the highest amount allowed by law.
- 3.13 If MERCHANT breaches AGREEMENT or if BANK identifies suspicious or irregular activity related to SALES or SERVICES, BANK may refuse to process or sponsor SALES or to provide SERVICES and/or may hold funds pending the cure of such breach or resolution of such activity.
- 3.14 If BANK takes any action against MERCHANT to collect any FEES or monies due to BANK from MERCHANT, MERCHANT agrees to pay all costs of collection, including but not limited to, attorney fees, to the extent allowed by law.

3.15 If MERCHANT is a participant in a BANK third party program including, but not limited to, Agent Bank and/or CARD BRAND programs, and MERCHANT subsequently leaves such third party, BANK may amend the FEES or terminate the AGREEMENT.

4. TERM OF AGREEMENT:

4.1 The initial term of this AGREEMENT shall be for three (3) years ("INITIAL TERM") commencing on the date this AGREEMENT is approved by BANK or approved and uploaded by BANK's Risk Department.

4.2 At the expiration of the INITIAL TERM, this AGREEMENT will automatically renew for successive one (1) year periods ("RENEWAL TERM") unless terminated as set out below.

5. TERMINATION OF AGREEMENT:

5.1 This AGREEMENT may be terminated by BANK at any time effective upon thirty (30) days written notice.

5.2 MERCHANT may terminate this AGREEMENT as follows:

- A. upon BANK's default of any material obligation to MERCHANT thereunder and the failure of BANK to cure such default within thirty (30) days after written notice of such default;
- B. upon written notice of non-renewal at least thirty (30) days prior to the commencement of any RENEWAL TERM; or
- C. on thirty (30) days notice of termination accompanied by payment of the ACCOUNT CLOSURE FEE.

5.3 In order to protect the CARD BRANDS and BANK, BANK may terminate this AGREEMENT effective immediately for any of the following reasons:

- A. insolvency, receivership, voluntary or involuntary bankruptcy, assignment of any of MERCHANT's assets for the benefit of MERCHANT's property creditors, or if any part of MERCHANT's property is or becomes subject to any levy, seizure, assignment or sale for or by any creditor or governmental agency without being released within thirty (30) days thereafter;
- B. if MERCHANT fails to pay any FEES when due;
- C. if MERCHANT has misrepresented or omitted any material information provided to BANK;
- D. if MERCHANT is in breach of the AGREEMENT or the RULES;
- E. if MERCHANT, after BANK's request, fails to send copies of SALES DRAFTS to BANK;
- F. if MERCHANT submits for processing SALES that were not originated as a result of a direct SALE transaction between a cardholder and MERCHANT in the normal course of business ("LAUNDERING");
- G. if the number of CHARGEBACKS experienced by MERCHANT in any one (1) month exceeds one percent (1%) of the number of SALES in that or any prior month;
- H. in the event of a material change of MERCHANT's business as described in the Merchant Application ("BUSINESS");
- I. in the event the CARD BRANDS identify MERCHANT, its principal, or associated parties under any program designed to monitor merchants, or MERCHANT creates circumstances that cause harm or loss of goodwill to BANK or the VISA system;
- J. if MERCHANT is inactive for ninety (90) days and is not a seasonal MERCHANT; or
- K. in the event that Guarantor (if designated) gives notice of its intention to withdraw the Guaranty.

Notwithstanding anything to the contrary herein, this AGREEMENT shall terminate automatically without prior notice to MERCHANT in the event the sponsorship agreement between TMS and BANK is terminated.

In the event this AGREEMENT is terminated by BANK for any reason, or as a result of the sponsorship agreement between TMS and BANK being terminated, TMS and MERCHANT agree that TMS may, in its sole discretion, elect to continue under the terms of this AGREEMENT as between TMS and MERCHANT, should TMS be able and willing to find a suitable replacement sponsor bank for MERCHANT. Should TMS so elect, the AGREEMENT shall continue under its then current terms in full force and effect as between TMS and MERCHANT, with BANK removed as a PARTY. If TMS is unable or unwilling to do so, then the AGREEMENT shall terminate as between TMS and MERCHANT as well.

5.4 Effect of Termination of the AGREEMENT:

- A. In the event that this AGREEMENT is terminated by BANK for cause, BANK may be required to report the name and address of MERCHANT and MERCHANT's principals to the CARD BRANDS for inclusion on the Terminated Merchant File and in other programs that monitor merchants. In the event that this AGREEMENT is terminated for cause and MERCHANT is obligated to BANK for sums due and the principals of MERCHANT are liable for such debts, a negative credit report may be submitted to a credit-reporting agency.
- B. MERCHANT hereby releases, indemnifies and holds BANK and the CARD BRANDS harmless to the fullest extent permitted by applicable law for any loss or damage it may incur as a result of reporting MERCHANT or its principals to a credit reporting agency hereunder or as a consequence of MERCHANT or its principals being placed by BANK or its Agents on the CARD BRANDS' merchant monitoring lists.

6. BANKRUPTCY:

6.1 In the event of a bankruptcy filing by MERCHANT, BANK reserves the right to suspend or discontinue processing SALES or providing SERVICES. Upon filing voluntary or involuntary bankruptcy proceedings by or against MERCHANT, MERCHANT must notify BANK in writing within five (5) days. Notification must be sent by certified mail to BANK at the address for NOTICES set out herein.

6.2 Credits to MERCHANT's DESIGNATED ACCOUNT and other payments to MERCHANT are provisional. The PARTIES acknowledge the AGREEMENT is an agreement whereby BANK is extending financial accommodations to MERCHANT within the meaning of 11 U.S.C. § 365(c)(2) of the Bankruptcy Code as amended from time to time. The right of MERCHANT to receive any amounts due or to become due from BANK is expressly subject and subordinate to the CHARGEBACKS, recoupment, setoff, lien, and security interest rights of BANK under this AGREEMENT without regard to whether such CHARGEBACKS, recoupment, setoff, lien, and/or security interest rights are being applied to claims that are liquidated, unliquidated, fixed, contingent, matured, or unmatured.

7. INFORMATION AND DOCUMENTATION:

- 7.1 MERCHANT agrees to comply with all requests for information and documentation regarding SALES and the CARDS utilized in processing such SALES or SERVICES under AGREEMENT within the time period stated by BANK in its request.
- 7.2 **USA PATRIOT ACT REQUIREMENTS.** To help the government fight the funding of terrorism and money laundering activities, the USA PATRIOT Act requires all financial institutions to obtain, verify, and record information that identifies each person (including business entities) who opens an account. What this means: When MERCHANT opens an account, BANK will ask for the applicant's name, physical address, date of birth, taxpayer identification number, and other information that will allow BANK to identify the applicant. BANK may also ask to see the applicant's driver's license or other identifying documents. BANK will advise MERCHANT if additional information is required.
- 7.3 Upon BANK's request, MERCHANT shall provide BANK with current financial statements in a format acceptable to BANK.
- 7.4 MERCHANT, its signing officer/owner/partner/principal, and any Personal Guarantor authorize BANK, or its agents or assigns, to make, from time to time, any business and personal credit and other inquiries BANK considers necessary to review the acceptance and continuation of this AGREEMENT. MERCHANT authorizes parties contacted by BANK or any of its affiliates, in relation to this AGREEMENT, to release the credit information requested by BANK or any affiliate. By executing this AGREEMENT, MERCHANT, its signing officer/owner/partner/principal and any Personal Guarantor acknowledge that BANK has a legitimate business need for the information contained in any personal credit report that may be obtained in connection with this AGREEMENT, and that this AGREEMENT is a business transaction that was initiated by the MERCHANT and/or any Personal Guarantor identified in the Merchant Application.
- 7.5 MERCHANT is supplied with monthly reports by BANK regarding MERCHANT's SALES or SERVICES activity. It is MERCHANT's sole responsibility to report any error or discrepancies detected by MERCHANT in writing to BANK within ninety (90) days following the end of the monthly reporting period. After such period, MERCHANT will be deemed to have accepted the monthly reports as delivered.
- 7.6 MERCHANT will notify BANK immediately of any change in ownership, corporate or "d/b/a" name, location address, or the information contained on MERCHANT's imprinter plates.
- 7.7 If MERCHANT participates in any BANK third party program, MERCHANT agrees that BANK may report information as required to such third party.
- 7.8 MERCHANT is solely responsible for maintaining complete backup records of all information relating to its customers' orders, inquiries, purchases, SALES and any other customer information in accordance with this AGREEMENT, LAWS, and RULES.

8. PROCESSING RESTRICTIONS:

- 8.1 MERCHANT agrees that it will not materially change its BUSINESS or the method in which it markets or sells the goods and services of BUSINESS without informing BANK in advance of such change. BANK will only process and sponsor SALES from the BUSINESS as defined in the AGREEMENT.
- 8.2 If actual monthly SALES volume substantially exceeds the projected annual SALES volume as provided in the Merchant Application and pro-rated to one month, BANK may, at its option, do one or more of the following: (i) refuse to process or sponsor SALES in excess of such sum; (ii) process such SALES and retain the proceeds of such SALES until the next month and release such sums to MERCHANT at that time counting this volume as SALES volume for that month; (iii) terminate this AGREEMENT; and/or (iv) amend this AGREEMENT in a way as to ensure that BANK has security for the increased volume. Such rights of termination and retention of funds are in addition to those already provided for herein.
- 8.3 In the event of failure, including bankruptcy, insolvency, or other suspension of business operations by MERCHANT, MERCHANT shall not sell, transfer, or disclose any materials that contain cardholder account numbers, personal information, or other CARD BRAND transaction information to third parties. Upon request from BANK, MERCHANT shall either (i) provide this information or (ii) provide acceptable proof of destruction of this information.

9. USE OF THE INTERNET, SYSTEM INTEGRATORS, AND/OR THIRD PARTY SERVICE PROVIDERS:

- 9.1 If MERCHANT accepts SALES through its web site or through a system integrator, MERCHANT shall at all times maintain and be responsible for the security of the transmission of data relating to the processing of SALES associated with this AGREEMENT. MERCHANT shall be responsible for obtaining and maintaining web site security, for the encryption of all data, and for any and all storage of data. MERCHANT shall display on its web site its: (i) consumer data privacy policy and (ii) security method for transmission of payment data. An e-commerce MERCHANT must display the address of its "permanent establishment" on its web site along with MERCHANT's country of domicile, either: a) on the same screen view as the checkout screen used to present the total purchase amount; or b) within the sequence of web pages the cardholder accesses during the checkout process.
- 9.2 MERCHANT shall be responsible for obtaining and contracting with any third party service provider(s), payment engine(s), payment gateway(s), and any other Internet service provider(s) and/or system integrator(s). MERCHANT shall ensure that said third parties appropriately format and transmit SALES to BANK in accordance with the then current RULES and requirements of BANK and CARD BRANDS. If MERCHANT is using a third party's terminal or software application, (i.e. dial terminal or equivalent sales capture solution), and the third party is providing the customer service, then such third party is a separate entity and is not an agent of BANK. MERCHANT understands the AGREEMENT is between BANK and MERCHANT. Disputes involving a third party shall be dealt with independently from BANK. If disputes are unresolved and relate to SERVICES provided under the AGREEMENT, MERCHANT shall notify BANK at the address set out in the AGREEMENT. MERCHANT must pay BANK regardless of any disputes it has with any third party. BANK, SPONSORS, or the CARD BRANDS may defend on its own any such claims or demands or request MERCHANT to take up such defense. In either event MERCHANT will further indemnify BANK, SPONSORS, and the CARD BRANDS for reasonable attorney fees or any other necessary expenses incurred by BANK by reason of such defense.

Each PARTY represents that the entering into of this AGREEMENT has been duly authorized; the signer is a duly authorized signatory; this AGREEMENT constitutes a legal, valid, and binding obligation of each PARTY; and that this AGREEMENT is enforceable against each PARTY in accordance with its terms.

MERCHANT acknowledges that the information from the Purchasing Card Information will be sent to MERCHANT's corporate customers who pay with a purchasing card. MERCHANT agrees that BANK is not responsible for any actions or omissions of others regarding this information.

- 13.14 Disclosure of Merchant Identification Number ("MID"). For security reasons, MERCHANT must disclose its MID thereby authorizing BANK to make changes to its account. BANK may request from MERCHANT additional information to further verify MERCHANT's identity. BANK may assume that the person disclosing the MID has the authority to make changes to MERCHANT's account. MERCHANT is responsible for insuring its MID is kept confidential.

MERCHANT hereby authorizes BANK and its affiliates to send facsimiles to the MERCHANT's facsimile number set forth in this AGREEMENT.
- 13.17 Monitoring. MERCHANT understands and agrees that any telephone conversation between MERCHANT and BANK may be monitored and recorded.

This AGREEMENT shall not become a binding AGREEMENT between the PARTIES until (i) it is approved by BANK; and (ii) BANK has received a negative response to its inquiry of the CARD BRANDS' programs designed to monitor merchants. The commencement of transaction processing under this AGREEMENT shall constitute BANK's approval and its signature to this AGREEMENT.
- 13.19 Products and Services. ISO may from time to time add products and/or services to the SERVICES. MERCHANT acknowledges and agrees that BANK and its affiliates have no obligation or liability whatsoever for (1) such products and services, (2) any actions or omissions of ISO with respect to such products and services, or (3) any claims or disputes arising out of the foregoing. At MERCHANT's request, ISO may provide such additional products and/or services to MERCHANT at ISO's then current rate. MERCHANT agrees to abide by all parameters set by ISO for such products and/or services as set out in any product specification or documentation as amended from time to time. MERCHANT is responsible for any coding and testing, if necessary, for such products and/or services. ISO has made reasonable efforts to secure information and abide by the CARD BRANDS' security guidelines but ISO does not guarantee security. MERCHANT is responsible for protecting access to any passwords or user identification numbers. Access to and use of password protected areas of any products and/or services are restricted to authorized users only. It is the MERCHANT's obligation to notify ISO immediately if its passwords or user identification numbers have been lost or stolen or if there has been unauthorized access. ISO shall at all times retain all title to and ownership of the products and SERVICES. MERCHANT agrees not to, directly or indirectly, modify, reverse engineer, decompile, disassemble or derive source code from the products and SERVICES. In accordance with this desire, MERCHANT authorizes BANK to initiate debit and credit entries to the DESIGNATED ACCOUNT (the details of which are set out herein and in the Merchant Application). MERCHANT agrees to maintain sufficient funds in DESIGNATED ACCOUNT to cover debit transactions. By signing this AGREEMENT, MERCHANT states that it has authority to agree to such transactions and that the DESIGNATED ACCOUNT indicated is a valid and legitimate account for the handling of these transactions. This authority is to remain in effect until BANK receives written notice from MERCHANT revoking it. This authorization is for the payment of SALES, returns and FEES, CHARGEBACKS, or any other sums owed between the PARTIES. MERCHANT also certifies that the appropriate authorizations are in place to allow MERCHANT to authorize this method of settlement. All changes to the identification of the DESIGNATED ACCOUNT under this authorization must be made in writing in accordance with the AGREEMENT. MERCHANT understands that if the information supplied as to the ABA Routing Number and Account Number of the DESIGNATED ACCOUNT is incorrect, and funds are incorrectly deposited, BANK will attempt to assist MERCHANT in the recovery of such funds but has no liability as to restitution of the same. BANK's assistance in recovering the funds, where available, will be billed to MERCHANT at BANK's current hourly rate for such work. MERCHANT acknowledges that the origination of ACH transactions to the DESIGNATED ACCOUNT must comply with the provisions of U.S. law.

CARD BRAND RULES

NOTICE: This information is a summary of common CARD BRAND regulations; however card acceptance, processing and chargeback procedures are subject to change. Capitalized Terms not defined herein shall have the meaning ascribed to them in the CARD BRANDS' regulations. If there are any differences between the CARD BRANDS' regulations and these RULES, the CARD BRANDS' regulations will prevail in every instance. To the extent these RULES or the CARD BRANDS' regulations conflict with applicable local, state, or federal laws, rules, or regulations, such local, state, or federal laws, rules or regulations shall govern. The CARD BRANDS publish summaries of the regulations for merchants. Some of these summaries may be accessed at www.visa.com and www.Mastercard.com, while AMERICAN EXPRESS and DISCOVER regulations may be accessed at www.cpay.com/amexterms. The AMERICAN EXPRESS OptBlueSM Program Merchant Operating Guide may be accessed at www.cpay.com/amexterms.

CARD BRAND CARD ACCEPTANCE PROCEDURES

1. Honor All CARDS:

- 1.1 MERCHANT shall honor all CARDS issued by a CARD BRAND, when presented in accordance with these RULES, for the purchase of goods or services by an authorized holder of CARD or in processing a request for credit resulting from such a transaction, unless MERCHANT provides TMS and BANK with a thirty (30) day written notice that it no longer wishes to accept either credit or debit cards, including check or prepaid cards (i.e., non-PIN based debit). If MERCHANT has provided such notice to TMS and BANK, upon the expiration of the thirty (30) day notice period, MERCHANT will no longer be required to accept such cards.
- 1.2 If a cardholder presents a VISA CARD that is in the MERCHANT's category of acceptance and that bears a mark representing another payment service: (i) MERCHANT must honor the cardholder's request if the cardholder indicates that the transaction is to be processed as a VISA transaction and (ii) MERCHANT may process the transaction as something other than a VISA transaction despite an initial indication by the cardholder that the transaction is to be processed as a VISA transaction, but only if the cardholder agrees that the transaction may be processed as something other than a VISA transaction. MERCHANT may not mislead the cardholder concerning what payment service or system will be used. These rules do not require MERCHANT to explain any loss of consumer rights if the transaction is not processed as a VISA transaction, but if MERCHANT provides any information on this topic, that information must be accurate.
- 1.3 PROHIBITIONS - A MERCHANT must not:
 - A. Accept cardholder payments for previous Visa Card or Visa Electron Card charges incurred at the MERCHANT location;
 - B. Require a cardholder to complete a postcard or similar device that includes the cardholder's account number, card expiration date, signature, or any other card account data in plain view when mailed;
 - C. Add any surcharge to transactions, except as permitted by the RULES;
 - D. Add any tax to transactions, unless applicable laws or regulations permit a MERCHANT to collect a tax. Any tax amount, if allowed, must be included in the transaction amount and not collected separately;
 - E. Enter into interchange any transaction receipt for a transaction that was previously charged back and subsequently returned to the MERCHANT irrespective of cardholder approval. The MERCHANT may pursue payment from the customer outside the VISA system;
 - F. Request or use an account number for any purpose other than as payment for its goods or services, except to support the Health Care Eligibility Service or VISA Activation and Load Service, as specified in VISA regulations;
 - G. Disburse funds in the form of travelers cheques, if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from MERCHANT;
 - H. Disburse funds in the form of cash, unless:
 - 1) MERCHANT is dispensing funds in the form of travelers cheques, Visa TravelMoney Cards, or Foreign Currency. In this case, the transaction amount is limited to the value of the travelers cheques, Visa TravelMoney Card, or Foreign currency plus any commission or fee charged by the MERCHANT; or
 - 2) MERCHANT is participating in the Visa Cash Back Service, as further specified in the VISA regulations.
 - I. Accept a Visa Card or Visa Electron card for the purchase of Scrip;
 - J. Accept a Visa electron Card for Manual Cash Disbursement;
 - K. Accept a Visa TravelMoney Card for a Manual Cash Disbursement;
 - L. Accept a card to collect or refinance an existing debt that has been deemed uncollectible by the merchant providing the associated goods or services. (Note: A transaction that represents a payment on an existing obligation must be identified by the appropriate indicator in the Authorization Request and Clearing Record.);
 - M. Enter into interchange a transaction that represents collection of a dishonored check;
 - N. Require a cardholder to waive his or her rights to dispute the transaction as a condition of the SALE; or
 - O. Establish a minimum or maximum transaction amount as a condition for honoring a Visa Card or Visa Electron Card, except as permitted by the RULES.

2. Sales Transactions:

- 2.1 No SALE may be completed if cardholder (the duly authorized holder and user of CARD) fails to present his/her CARD to MERCHANT at time of SALE, except in the case of Card Not Present environments where MERCHANT has received written permission by TMS and BANK to do so.
- 2.2 IF USING AN ELECTRONIC DEVICE, MERCHANT MUST HAVE THE CARD SUCCESSFULLY READ BY A MAGNETIC STRIPE OR CHIP CARD READER/TERMINAL WITH PRINTER ATTACHED. If MERCHANT's terminal cannot successfully read the magnetic stripe or chip, MERCHANT must imprint the card, even if it is a key entered transaction. MERCHANT must imprint the CARD on the same SALES DRAFT (a paper record evidencing the purchase of goods or services using a CARD) containing the remainder of the transaction information and the cardholder signature. Failure to obtain a signed and imprinted SALES DRAFT when a transaction is not captured by swiping through a magnetic stripe or chip reader will expose MERCHANT to a CHARGEBACK on such a transaction regardless of the authorization that may or may not be received.
- 2.3 MERCHANT shall obtain the cardholder's signature on the SALES DRAFT, where required by the RULES.
- 2.4 Unless specifically permitted by TMS and BANK to the contrary, goods and services purchased must be delivered to cardholder at time of SALE.
- 2.5 MERCHANT shall not require cardholders to provide personal information (such as telephone number or address) as a condition for honoring a SALE, unless required by the RULES.

2.6 If MERCHANT receives BIN information from TMS and BANK, MERCHANT must not use such information for any reason other than to identify VISA debit category products at the point of sale, unless authorized by VISA. VISA BIN information is proprietary and confidential information belonging to VISA. MERCHANT must not disclose VISA BIN information to any third party without prior written permission from VISA. If MERCHANT uses an agent or Merchant Servicer, MERCHANT must include the foregoing provisions in its agreement or contract with such agent or Merchant Servicer.

3. SALES DRAFTS:

- 3.1 MERCHANT shall deliver to the cardholder, at the time of a SALE, a true, complete, and legible copy of the SALES DRAFT or suitable receipt evidencing a SALE involving use of CARD.
- 3.2 At a minimum, the following information must be included on the SALES DRAFT (additional information may be required by the RULES depending on the transaction):
- A. final four digits of CARD account number. MERCHANT is responsible for determining and complying with all applicable LAWS regarding CARD account number truncation requirements and CARD expiration date requirements for SALES DRAFTS;
 - B. MERCHANT's d/b/a name;
 - C. MERCHANT's city and state;
 - D. amount of the SALE (including any applicable taxes or amount of adjustment or credit);
 - E. date of the SALE;
 - F. space for cardholder signature if applicable;
 - G. transaction payment type;
 - H. legend identifying the party to whom it will be delivered (i.e. merchant copy, customer copy);
 - I. authorization code;
 - J. clear imprint of the CARD unless successfully read by a magnetic stripe or chip reader; and
 - K. brief description of the goods or services sold, returned, or cancelled.
- 3.3 MERCHANT shall store all SALES DRAFTS and transaction records in the manner and timeframes required by the RULES.
- 3.4 MERCHANT shall not deposit SALES DRAFTS that it knows or should have known to be either fraudulent or not authorized by the cardholder.

4. Security Features:

- 4.1 In all cases, MERCHANT is required to examine the card security features prior to completing a SALE.
- 4.2 When an Electronic Cash Register ("ECR") or Electronic Draft Capture ("EDC") terminal reads the magnetic stripe or chip on the CARD, MERCHANT must check the CARD account number on the terminal (if displayed) against the account number embossed on the CARD or follow such other security check as is mandated by TMS and BANK from time to time. If the CARD is read with a terminal that displays the CARD number and the SALES DRAFT is printed, MERCHANT shall verify that the account number displayed on the terminal match the embossed numbers on the face of the CARD. In the event that they do not match, the SALE must not be completed. Failure to follow these checks and procedures will expose MERCHANT to CHARGEBACKS.
- 4.3 In the event that the terminal is programmed to require MERCHANT to key the last four (or more) digits of each CARD used for a SALE, and the terminal indicates that the numbers keyed are not the same as those present on the card, the SALE must not be completed.
- 4.4 In order to protect the integrity of the CARD BRANDS' systems, BANK may hold funds settled by MERCHANT in the event of a breach of AGREEMENT, irregular SALES activity, or receipt of detrimental financial information.

5. Authorization:

- 5.1 On all SALES, MERCHANT shall request an authorization for the total amount of the SALE and shall record the positive authorization response code on the SALES DRAFT prior to completing the SALE. If MERCHANT receives a negative authorization response, MERCHANT shall not complete the SALE and may receive further instructions from the authorization center.
- 5.2 MERCHANT may not, after receiving a negative response or decline on an authorization request:
- A. split the SALE amount into multiple transactions in order to obtain a valid authorization for each one, so that the separate transactions total the original dollar amount of the SALE; or
 - B. attempt any further electronic or voice authorizations.
- 5.3 In the event that an unsigned CARD is presented at the point of sale, MERCHANT must request that cardholder provide proof of identification and sign the card before completing the SALE. Details of the identification provided must be placed on the SALES DRAFT unless prohibited by local law. In the event that the cardholder refuses to do so, the SALE must not be completed.
- 5.4 MERCHANT agrees to obtain authorization from the voice authorization center as required by the RULES.

6. Returned Merchandise and Adjustments:

- 6.1 If MERCHANT agrees to credit a cardholder for any merchandise or service that was the subject of a SALE, MERCHANT must provide a Credit Transaction Receipt using the same CARD as in the original SALE. Such credit shall not exceed the original SALE amount. MERCHANT shall not make any cash refund on SALES.
- 6.2 MERCHANT may limit its acceptance of returned merchandise or establish a policy to make price adjustments for any SALE provided proper disclosure is made and purchased goods and service are delivered to the cardholder at the time of the SALE.
- 6.3 Proper disclosure means the words "NO REFUND," "EXCHANGE ONLY," or "IN STORE CREDIT ONLY" are printed in large letters near the signature line on all copies of the SALES DRAFT prior to obtaining the cardholder's signature on the SALES DRAFT. TMS and BANK are not responsible for the funding of such transactions. Further, TMS and BANK are not responsible for payment for SALES for any CARD BRANDS unless and until TMS and BANK have received payment for such SALES from the CARD BRANDS.

CHARGEBACKS

10. General:

10.1 Failure to comply with the RULES will reduce TMS's and BANK's ability to reverse CHARGEBACKS and increase the likelihood of MERCHANT receiving a CHARGEBACK.

10.2 MERCHANT may be subject to a CHARGEBACK on SALES for a minimum period of 180 days, plus the period of any warranty or guarantee on goods and/or services sold by MERCHANT, from the date the SALE was entered into the CARD BRANDS' processing system.

10.3 TMS and BANK agree to mail all CHARGEBACK documentation to the address provided by MERCHANT. MERCHANT agrees to respond promptly to all CHARGEBACKS. If TMS and/or BANK elects, at their sole discretion, to take action on CHARGEBACKS after the CARD BRAND time limits have expired, such action shall be done at additional cost.

10.4 MERCHANT agrees that it will not re-deposit SALES that have been previously charged back and not represented. This restriction applies whether or not the cardholder consents to such activity.

10.5 MERCHANT agrees that if it receives a CHARGEBACK for an international cardholder, the MERCHANT is responsible for any currency conversion differences in the dollar amount.

11. CHARGEBACK Reasons:

11.1 MERCHANT should refer to the RULES for a complete list of CHARGEBACK reasons.

12. CHARGEBACK Monitoring Programs:

12.1 Any MERCHANT location that exceeds a one percent (1%) CHARGEBACK to Interchange ratio for all incoming CHARGEBACKS for that location is considered an excessive chargeback merchant and may be subject to Visa and Mastercard's monitoring programs. Merchants are responsible for monitoring their monthly chargeback percentage and developing chargeback reduction plans as required by Visa and Mastercard. Excessive CHARGEBACK activity for an unreasonable period of time may result in termination of this AGREEMENT. MERCHANT will pay TMS and/or BANK for any fine or charge levied by the

CARD BRANDS on TMS and/or BANK or MERCHANT as a result of its chargeback activity. This section may be amended from time to time as a result of action by CARD BRANDS.

13. Other CARD BRAND Monitoring Programs:

- 13.1 If MERCHANT is identified by certain CARD BRAND monitoring programs, TMS's and BANK's ability to reverse CHARGEBACKS may be severely restricted.
- 13.2 Certain monitoring programs review the number of lost, stolen and counterfeit CARDS accepted by MERCHANT in its normal course of business and the percentage of CARDS used for SALES that were not read electronically by terminals or ECRs. The purpose of these programs is to reduce the use of lost, stolen and counterfeit CARDS.
- 13.3 In the event that MERCHANT is identified under these programs as exceeding the acceptable threshold value of such CARDS, MERCHANT may become liable for CHARGEBACKS and SALES on lost, stolen, or counterfeit CARDS regardless of the CARD ACCEPTANCE PROCEDURES followed, and AGREEMENT may be terminated by TMS and BANK.

14. CARD BRAND Registration Programs:

- 14.1 If MERCHANT is identified by certain CARD BRAND registration programs, TMS and/or BANK will take the necessary steps to register the merchant. Once SPS-EFT authorizes the transaction, MERCHANT shall ensure that the customer that presented the check signs the receipt and legibly prints his/her correct full name and telephone number by hand. To be valid, MERCHANT shall ensure the following: 1. That the sales receipt contains the following correct information: (a) the customer's bank account number and the check number from the MICR data; (b) MERCHANT's correct name and business address; (c) the date of the transaction; (d) the total cash price of the sale (including all applicable state, federal or local surcharges and taxes) or the amount to be charged if a partial payment is made in cash or by credit card or the amount to be charged as the remaining balance owing after the deposit has been made. (e) After customer signs the receipt, MERCHANT shall deliver to the person presenting the check a true and completed copy of the sales receipt; (f) No check may be altered after SPS-EFT authorizes acceptance of the check. MERCHANT may not resubmit a check electronically or deposit it by any means, once SPS-EFT authorizes a transaction. 2. MERCHANT shall write the current phone number and driver's license number of the customer on the face of the check. Failure to comply with the above requirements will, in addition to other penalties (such as but not limited to loss of guarantee of ALL transactions), subject MERCHANT to chargebacks or withholding of funds and may be grounds for immediate suspension/termination of services and indemnification of SPS-EFT by MERCHANT pursuant to this Agreement. **YOU UNDERSTAND THAT IT IS A FEDERAL VIOLATION TO PROCESS DEBIT REQUESTS AGAINST A CONSUMER BANK ACCOUNT WITHOUT THE ELECTRONIC CHECK WRITER'S EXPRESSED AUTHORITY. YOU HEREBY ACKNOWLEDGE RECEIPT OF PROPER NOTICE THAT THE USE OF ANY COUNTERFEIT, FICTICIOUS, LOST, STOLEN, OR FRAUDULENTLY OBTAINED DEBIT INSTRUMENT TO UNLAWFULLY INITIATE A DEBIT TRANSACTION IS PUNISHABLE BY A MAXIMUM OF A \$10,000 FINE, IMPRISONMENT FOR A TERM OF TEN YEARS, OR BOTH. IT IS SPECIFICALLY UNDERSTOOD BY YOU THAT ANY TRANSACTION EVENT INIATED AS AN UNAUTHORIZED MANUAL ENTRY OR DEPOSIT BY YOU AFTER YOU HAVE RECEIVED APPROVAL FOR ELECTRONIC DEPOSIT OF CHECK (S) OR IS INTENDED FOR ELECTRONIC DEPOSIT SHALL BE INTERPRETED AS AN UNLAWFUL DEBIT TRANSACTION PURSUANT TO THIS NOTICE. IN THE EVENT OF SUCH A VIOLATION, MERCHANT AGREES AND WARRANTS TO HOLD SPS-EFT AND ALL OF ITS ASSIGNS AND ASSOCIATES HARMLESS AND REIMBURSE SPS-EFT FOR THE TRANSACTION (S) WITHIN 24 HOURS OF SAID OCCURRENCE. IF MERCHANT REFUSES OR IS UNABLE TO REIMBURSE SPS-EFT FOR ANY SUCH OCCURRENCE, IT IS EXPRESSLY STATED AND UNDERSTOOD THAT THE MERCHANT IS IN DIRECT VIOLATION OF THIS AGREEMENT AND FEDERAL LAW, AND SPS-EFT WILL PURSUE ALL LEGAL, CIVIL, AND COLLECTION REMEDIES AS ARE POSSIBLE UNDER LAW AS REMEDY.**

3.2 CUSTOMER'S AUTHORIZATION INITIATES DEBIT ENTRY MERCHANT acknowledges that the customer's authorization allows MERCHANT to instruct SPS-EFT to initiate an ELECTRONIC CHECK DEBIT ENTRY ("ENTRY") for MERCHANT against customer. It further permits SPS-EFT to reinitiate an ENTRY where the original ENTRY is returned and to assess a collection fee against CUSTOMER. **Any collection fees received by SPS-EFT in collecting returned checks shall be the sole property of SPS-EFT.** SPS-EFT shall present the ENTRY no more than three times. SPS-EFT, for POS Conversion service shall be entitled to assess a transaction fee as set forth in the schedule against MERCHANT for each representment. If a check is returned unpaid after the third presentment, SPS-EFT shall be entitled to debit the MERCHANT'S account for the amount of the check (POS Conversion).

3.3 RESTRICTIONS ON ACCEPTANCE OF CHECKS FOR ELECTRONIC PROCESSING. From time to time, SPS-EFT shall establish necessary security and identification procedures for presentment of checks for electronic processing pursuant to the Rules and applicable law. MERCHANT agrees to comply with such procedures and to accept such "properly presented" checks for electronic processing. MERCHANT shall not accept or attempt to process checks in excess of the maximum limitations established by SPS-EFT. In no event, will SPS-EFT accept a check greater than \$2500 for processing without prior written authorization by SPS-EFT. SPS-EFT shall also establish the number of checks, which may be submitted on a daily basis by any customer for

electronic processing. MERCHANT agrees to provide SPS-EFT with any and all information needed to establish such limitations. MERCHANT further agrees to inform SPS-EFT immediately of any changes in business activities, rules or regulations, which may affect these limitations. MERCHANT further agrees to abide by these limitations as a condition to SPS-EFT electronically processing any check. MERCHANT shall scan each check submitted for processing through no more than one POP MICR reader/check scanner. MERCHANT agrees that sales completed at one location cannot be processed through a MICR reader/check scanner at another location. In no event is MERCHANT allowed to process checks manually by keying in the MICR number.

3.4 UNACCEPTABLE TRANSACTIONS. In addition to the restrictions set out above and in any event, the following transactions are unacceptable for electronic processing, and MERCHANT agrees not to submit any of the following transactions to SPS-EFT for electronic processing: (a) MERCHANT shall not process any temporary checks or checks that do not have the customer's current name, address and phone number preprinted on its face, (b) MERCHANT shall not electronically process any checks drawn on any depository institution that is not federally insured or part of the ACH network, (c) MERCHANT shall not electronically process any checks drawn on the personal checking account of MERCHANT or any of its agents or employees, (d) MERCHANT shall not accept any third party items for electronic processing or checks made payable to "cash" or "bearer", (e) MERCHANT shall not accept a traveler's check, money order, payroll check, counter check or sight draft, (f) MERCHANT shall not submit for processing any transaction representing the financing of an existing obligation whether previously owed to MERCHANT, arising from the dishonor of a check or arising from a credit card, debit card or smart card dispute with the MERCHANT, (g) MERCHANT shall not submit a transaction for processing which represents an attempt to collect a chargeback, (h) MERCHANT shall not submit a check written for goods or services that are not concurrently provided to the customer, including any check given for a service contract, gift certificate, a layaway (except for the final payment) or for a similar transaction, or for goods or services provided to a third party, (i) MERCHANT shall not submit a check which contains erasures, or which is altered, unless the alteration is initialed by the customer at time of presentation, (j) MERCHANT shall not knowingly submit a check on an account which SPS-EFT previously denied authorization. MERCHANT's submission of any of the above transactions for electronic processing may subject the MERCHANT to immediate suspension or termination, and all funds of MERCHANT, including those in MERCHANT'S account, may be placed on hold. This will also remove SPS-EFT POS Guarantee Conversion coverage from ALL checks.

3.5 SURCHARGES AND TAXES. MERCHANT shall not impose any illegal surcharge on any electronically processed check transaction. MERCHANT shall collect all required taxes at time of sale. All required taxes must be included in the total transaction amount at the time such is submitted for authorization by SPS-EFT and must be reflected in the face amount of the check. In any event, MERCHANT shall not collect any required taxes separately in cash, or otherwise. MERCHANT is responsible for paying all taxes collected to the appropriate authorities in a timely manner.

3.6 IRS REPORTING AND WITHHOLDINGS. Section 6050W of the Internal Revenue Code ("Code") requires payment providers and third party payment networks, such as SPS-EFT, to report payment settlement amounts to the Internal Revenue Service ("IRS") for each Merchant processing through SPS-EFT. Merchant shall verify its identity by providing SPS-EFT with a Tax Identification Number ("TIN") such as a Social Security Number (SSN) or Employer Identification Number (EIN) for each Merchant Account. In the event Merchant fails to provide its TIN, SPS-EFT will place a restriction on Merchant's Account and may restrict the receipt of funds into Merchant's Account, or withhold a percentage of payments deposited into Merchant's Account in order to satisfy the backup withholding requirements of the IRS.

4.1 EQUIPMENT. MERCHANT shall furnish each outlet, retail location, or business entity with a POP MICR reader/check scanner electronic printer. SPS-EFT shall assign each MERCHANT's POP MICR reader/check scanner an identification number. MERCHANT is responsible for all telecommunication fees and charges, including but not limited to telephone fees, associated with and related to the use of the POP MICR reader/check scanners. MERCHANT shall maintain all equipment related to electronic check processing in good working order at MERCHANT's expense. MERCHANT shall advise SPS-EFT immediately in the event of a breakdown of a POP MICR reader/check scanner, electronic printer, or check reader or of any other system failure. MERCHANT acknowledges that SPS-EFT is not responsible for any POP MICR reader/check scanner or related equipment problems unless required fees are current. MERCHANT acknowledges that SPS-EFT will replace any reader/ check scanner within 24 hours of notification of any MERCHANT in good standing provided they are current with monthly fees. Replacement of equipment will be subject to written notification from MERCHANT to SPS-EFT and SPS-EFT's approval of request. Moreover, SPS-EFT's approval of such equipment does not constitute nor express an implied warranty, representation or endorsement of such equipment.

4.2 USE OF EQUIPMENT. MERCHANT agrees to utilize only equipment approved by SPS-EFT for the electronic processing of checks and in a format and medium of transmission acceptable to SPS-EFT.

4.3 VIRTUAL TERMINAL. If MERCHANT has marked the Virtual Terminal option box on the application form of this Agreement then MERCHANT wishes to use the SPS-EFT Virtual Terminal in place of a traditional credit card terminal. SPS-EFT's Virtual Terminal performs the basic functions of a traditional credit card terminal including verification services, ACH conversion, and transaction voids. **NOTE: ACH Conversion Services requires use of a SPS-EFT compatible Check Imager or Check Reader connected to the PC.** MERCHANT is required to use a 3.5 inch or PC printer to print EFT receipts in order to obtain CUSTOMER'S signature authorization in conjunction with Check Conversion Services per NACHA and Reg "E". If a compatible Imager or Reader is not used, then MERCHANT understands that SPS-EFT will only provide Verification Services, and there will be no transactions converted and processed via ACH. The SPS-EFT Virtual Terminal requires Internet Explorer 7.0 or higher. Supported Operating Systems include WindowsXP ® or higher (32 and 64-bit versions). Merchant is responsible for all telecommunication fees and

charges, including but not limited to telephone fees associated with and related to the use of the SPS-EFT Virtual Terminal Software.

- 5.1 DAILY SETTLEMENT OF TRANSACTIONS. MERCHANT agrees to “batch out” each POP MICR reader/check scanner used on a daily basis. “Batch out” shall mean that MERCHANT totals and settles all of the transactions on each POP MICR reader/check scanner used by midnight (12:00 am) of the day SPS-EFT authorizes the sale and transmits the information contained in the batch out to SPS-EFT. In addition, any transactions contained in an untimely batch out may be refused or become subject to chargeback or held until after a sixty-day period for consumer chargebacks by SPS-EFT. If MERCHANT account is POS GUARANTEE CONVERSION then checks contained in an untimely batch out are not covered under the POS GUARANTEE CONVERSION program. If so requested by SPS-EFT, the signed Electronic Check Authorization receipt must be sent out and received at SPS-EFT’s designated location within 48 hours from the request date. Failure to do so will remove SPS-EFT’s obligations under the SPS-EFT POS Guarantee Conversion program for such checks at SPS-EFT’s sole discretion. MERCHANT acknowledges that failure to batch out on a timely basis may be grounds for suspension or termination at SPS-EFT’s sole discretion. **MERCHANT acknowledges that failure to batch out will delay funds being deposited and loss of guarantee coverage on those checks.**
- 5.2 NETTING OF TRANSACTIONS. MERCHANT acknowledges that all transactions between SPS-EFT and MERCHANT under this Agreement, except assessment of fees, shall be treated as a single transaction for purposes of daily settlement between MERCHANT and SPS-EFT.
- 5.3 PROVISIONAL SETTLEMENTS. MERCHANT acknowledges that all settlements between SPS-EFT and MERCHANT are provisional and are subject to the customer’s rights to dispute the charges against the customer’s account. In submitting electronic checks to SPS-EFT, MERCHANT endorses and assigns to SPS-EFT all right, title and interest to such checks with rights of endorsement. MERCHANT acknowledges that SPS-EFT has the right to receive payment on all electronically processed checks acquired and MERCHANT will not attempt to collect on any such transactions. If any payment is tendered to MERCHANT, MERCHANT will notify SPS-EFT by telephone of the payment, endorse the check; sign it over to SPS-EFT and immediately mail the payment to SPS-EFT by certified mail. If customer pays cash, MERCHANT shall reimburse SPS-EFT by MERCHANT’s check.
- 5.4 PAYMENT. MERCHANT acknowledges that this Agreement provides for the provisional settlement of MERCHANT’S transactions, subject to certain terms and conditions, fees, credit transactions, contingent claims for chargebacks, adjustments and final settlement including but not limited to those enumerated herein. All payments to MERCHANT for legitimate and authorized transactions shall be made by SPS-EFT through the ACH and shall normally be electronically transmitted directly to MERCHANT’S designated account. However, SPS-EFT cannot guarantee the timeliness with which any payment may be credited by MERCHANT’S bank. MERCHANT understands that due to the nature of the ACH and the electronic networks involved and the fact that not all banks belong to an ACH, payment to MERCHANT can be delayed. In such cases, MERCHANT agrees to work with SPS-EFT to help resolve any problems in crediting MERCHANT’S designated account. In the event that a payment is rejected by MERCHANT’S bank or fails to arrive within five (5) days from the date of settlement due to problems beyond SPS-EFT’S control, SPS-EFT may periodically wire transfer all funds due MERCHANT until the problem is corrected, at MERCHANT’S EXPENSE. All payments to MERCHANT shall be made after first deducting therefrom any discount fee, transaction fee, credit, chargeback, reserve or other fee or charge for which MERCHANT is responsible pursuant to this Agreement. Said charges and fees shall be deducted from incoming transactions or may be debited against MERCHANT’S designated Account at SPS-EFT’s sole discretion, without any further notice or demand.
- 5.5 AUTHORIZATION TO ACCESS MERCHANT’S ACCOUNT. MERCHANT hereby authorizes SPS-EFT to initiate debit and credit entries to MERCHANT’S designated account. MERCHANT’S authorization shall continue in effect for at least 180 days after termination of this Agreement, or for a longer period as determined necessary by SPS-EFT in the exercise of its sole discretion in order to properly terminate business. Unless a reserve or delay is placed on the MERCHANT’S account, SPS-EFT will transmit settlement to MERCHANT’S bank by the fourth bank business day following the day MERCHANT batches out a MICR reader/check scanner’s transactions. In cases where MERCHANT has been approved by SPS-EFT in advance to initiate credit entries, the debit to MERCHANT’S account will be initiated first and the credit to the customer may be held until MERCHANT’S debit clears, generally within 6 banking days or for a longer period as determined necessary by SPS-EFT to insure the funds have cleared MERCHANT’S account. SPS-EFT may hold back certain amounts where SPS-EFT is investigating a transaction for breach of warranty or transactional requirements by MERCHANT or for other reasons. SPS-EFT shall monitor MERCHANT’S transactional activity and MERCHANT agrees that SPS-EFT may delay funds for a reasonable period to investigate account activity. SPS-EFT will attempt to notify MERCHANT of any investigation, but SPS-EFT shall have no liability to MERCHANT or any other party, for any such actions taken by SPS-EFT. MERCHANT agrees that SPS-EFT may hold, setoff or retain funds to protect against amounts owed SPS-EFT or based on MERCHANT’S financial condition. SPS-EFT will not be liable for any dishonor of any item as a result of actions taken hereunder. Any account is subject to review, verification, audit and acceptance by SPS-EFT. SPS-EFT may return any item to MERCHANT for correction or proper processing.
- 5.6 RETURNS AND CREDITS. MERCHANT shall maintain a fair policy permitting refunds, exchanges, returns and adjustments. During the term of this Agreement, MERCHANT shall be responsible for making all cash or check refunds to customer after a transaction has been batched out for settlement. Unless MERCHANT has been approved by SPS-EFT in advance to initiate credit entries for a lesser amount than the original electronic check entry, MERCHANT must initiate a credit receipt for the same amount as the debit entry to effect voids, which occur the same day as the day of authorization and prior to batching out. MERCHANT must use the POP equipment or approved SPS-EFT software to transmit the credit. MERCHANT shall obtain proper written authorization from the

Customer whose name is printed on the face of the check or the customer's authorized representative prior to crediting Customer's account. The customer or its authorized representative shall sign the completed credit receipt and a copy of the credit receipt shall be delivered to the customer at the time of each cancellation of a transaction. Each debit and credit entry shall constitute a separate transaction for which a processing fee will apply. If it becomes necessary for a reversal of a transaction to be initiated, MERCHANT shall request in writing to SPS-EFT to initiate such reversal. MERCHANT shall give SPS-EFT enough information to create such reversal. A fee of no more than twenty-five dollars for each transaction reversal may be charged by SPS-EFT.

6.1 WARRANTIES BY MERCHANT. MERCHANT warrants and agrees to fully comply with all federal, state, and local laws, rules and regulations, as amended from time to time, including those with respect to consumer protection. MERCHANT also warrants not to change the nature of its business as indicated on the Application attached hereto and submitted herewith or to modify the ownership of the business without the prior written consent of SPS-EFT. With each transaction presented to SPS-EFT by MERCHANT for authorization, MERCHANT specifically warrants and represents that: (a) each customer has authorized the debiting or crediting of its checking account, that each debit or credit is for an amount agreed to by the customer; (b) each debit or credit entry was authorized by the person named on the checking account or the authorized representative or agent of such person; (c) the sales receipt is valid in form and has been completed in accordance with all applicable laws and all of the provisions set forth in this Agreement; (d) the total amount of each sales receipt evidences all goods and services purchased in a single transaction (No splitting check transactions to multiple checks); (e) MERCHANT has delivered the goods or completed the services identified in the authorized sales receipt draft; (f) each sales draft represents a bona fide direct sales transaction between the MERCHANT and the person presenting the check in the MERCHANT'S ordinary course of business and that the amount of the sales draft evidences the customer's total indebtedness for the transaction involved; (g) the person presenting the check has no claim, defense, right of offset, or dispute against MERCHANT in connection with the purchase of the goods or services and MERCHANT will provide adequate services to the person presenting the check and will honor all warranties applicable thereto; (h) all of MERCHANT'S business locations engage in the business activity listed on the face of this Agreement; (i) MERCHANT warrants that ALL types of its business are clearly and precisely stated on this application; (j) the percentage of mail order sales listed by MERCHANT for each location is consistent with the information provided in the application; (k) MERCHANT, nor any of its employees have submitted checks drawn from their personal checking accounts on the MERCHANT's MICR reader/check scanner; (l) MERCHANT uses only the name and address shown on the front of the Agreement on all its sales drafts; (m) MERCHANT has not submitted duplicates of any transaction; (n) MERCHANT warrants that check banking information on the printed receipt is correct; and (o) no transaction submitted for authorization to SPS-EFT is with or through an entity other than MERCHANT; MERCHANT further acknowledges that if for any reason funds are credited to MERCHANT in excess of the amount that MERCHANT is entitled to receive under this Agreement, MERCHANT shall return all such excess funds to SPS-EFT upon demand by SPS-EFT. Such excess funds may be collected by SPS-EFT by a debit to MERCHANT'S designated account initiated by SPS-EFT as provided in this Agreement. If for any reason such account does not have sufficient funds, then MERCHANT shall promptly remit the excess funds to SPS-EFT. Until the return of such funds to SPS-EFT, MERCHANT acknowledges that it shall hold all such funds in trust for the benefit of SPS-EFT.

7.1 LIMITATION OF LIABILITY AND MERCHANT'S WAIVER OF DAMAGES. SPS-EFT shall be responsible for performance of the ACH services as a third-party provider in accordance with the terms of this Agreement. SPS-EFT shall not be responsible for any other person's or entity's errors, acts, omissions, failures to act, negligence or intentional conduct, including without limitation entities such as SPS-EFT's communication carrier or clearing houses, and no such entity shall be deemed to be a representative or an agent of SPS-EFT. **IN NO EVENT SHALL SPS-EFT BE LIABLE TO MERCHANT FOR ANY CONSEQUENTIAL, INCIDENTAL, PUNITIVE OR SPECIAL DAMAGES WHICH MERCHANT OR ITS CUSTOMERS, AFFILIATES, PARENT COMPANIES, ASSOCIATES, AGENTS, OFFICERS, DIRECTORS OR EMPLOYEES MAY INCUR OR SUFFER IN CONNECTION WITH THIS AGREEMENT, INCLUDING LOSS OR DAMAGE FROM SUBSEQUENT WRONGFUL DISHONOR RESULTING FROM SPS-EFT'S ACTS OR OMISSIONS PURSUANT TO THIS AGREEMENT.**

8.1 CONFIDENTIALITY OF CUSTOMER INFORMATION. MERCHANT further warrants and agrees that it shall not sell, purchase, provide, or exchange checking account information in the form of sales drafts, mailing lists, tapes, or any other media obtained by reason of a transaction or otherwise, to any third party other than to SPS-EFT, MERCHANT'S agents approved by SPS-EFT for the purpose of assisting MERCHANT in its business to SPS-EFT, the financial institution named on the check, or pursuant to lawful government demand without the account holder's explicit written consent. All media containing checking account numbers must be stored in an area limited to selected personnel until discarding and must be destroyed prior to or in connection with discarding in a manner that will render the data unreadable. MERCHANT will not disclose and will keep confidential the terms and conditions of this Agreement.

9.1 CHARGEBACKS AND RETURNS. MERCHANT shall bear all risk of loss, without warranty or recourse to SPS-EFT for the amount of any transaction, or other amounts due SPS-EFT (including SPS-EFT's actual costs and expenses) due to or caused by chargebacks and returns of any kind, whether for customer chargebacks, insufficient funds returns, administrative returns, or any other type of returns, except as set forth in the SPS-EFT POS GUARANTEE CONVERSION provisions below (provided that MERCHANT has purchased and SPS-EFT agreed to provide POS GUARANTEE CONVERSION service). SPS-EFT shall have the right to debit MERCHANT'S incoming transactions, designated account or any other funds of MERCHANT in SPS-EFT's direct or

indirect control by reason of SPS-EFT's security interest granted to SPS-EFT by MERCHANT hereunder, and to chargeback such transactions to MERCHANT including, but not limited to any of the following situations: (a) where goods have been returned or service canceled by the person submitting the check for electronic processing and that person has requested a credit draft and such credit draft was not processed by MERCHANT; (b) where the sales draft or purchaser breaches any representation, warranty or covenant or failed to meet the requirements of this Agreement, or applicable law, or has not been authorized in advance by the authorization center as required hereunder; (c) where the transaction is for a type of goods or services sold other than as disclosed in the MERCHANT application or approved in advance by SPS-EFT or the amount shown on the sales receipt differs from the copy given to the customer; (d) where a customer contends or disputes in writing to SPS-EFT, or the customer's financial institution named on the check that: (1) Goods or services were not received; or (2) Goods or services received do not conform to the description on the sales receipt; or (3) Goods or services were defective or the customer has a claim, dispute or defense to payment related to the transaction; or (4) The dispute reflects a claim or defense authorized by a relevant statute or regulation, (e) where a check authorization document was not received by SPS-EFT as required herein or is subject to indemnification charged back by the customer's financial institution; (f) where the transaction was generated through the use of an account that was not valid (As in, but not limited to, R03,R04 return codes) or effective (As in, but not limited to, R02 return code) on the transaction date or which was made on an altered or counterfeit check authorization document or of which MERCHANT had notice not to honor and failed to reject the transaction or if MERCHANT disregarded any denial of authorization; (g) where no signature of the transaction appears on the sales check authorization document or if MERCHANT failed to obtain specific authorization in advance from SPS-EFT to complete the transaction and/or a valid authorization number was not on the sales receipt and/or the customer has certified in writing to SPS-EFT or his financial institution that no authorized user made or authorized the transaction; (h) where security procedures were not followed; (i) where the customer's financial institution or SPS-EFT has information that MERCHANT fraud occurred at the time of the transaction(s), or the transaction is not a sale by MERCHANT whether or not such transaction(s) was authorized by the customer; (j) in any other situation where the check authorization was executed or a credit was given to MERCHANT in circumstances constituting a breach of any representation or warranty of MERCHANT or in violation of applicable law or where MERCHANT has not provided documents or resolved a customer dispute whether or not a transaction is charged back; (k) a sales receipt was charged back and represented whether or not the customer knows or consents to this representation. If, with respect to any one of MERCHANT'S outlets, the amount of or number of any counterfeit or fraud incidents becomes excessive, in the sole determination of SPS-EFT; (l) MERCHANT does not provide copy of the signed authorization receipt as requested by SPS-EFT within forty-eight (48) hours from the time of such request. MERCHANT may be charged back for all transactions, this Agreement may be terminated immediately without notice, and MERCHANT'S funds, including but not limited to those in incoming transactions and in MERCHANT'S designated account, shall be held pursuant to the provisions herein. SPS-EFT shall retain any discount or fee related to a chargeback transaction. MERCHANT agrees that SPS-EFT will assess up to twenty-five dollars for each chargeback, or such increased or additional charges as may be established by SPS-EFT from time to time. **Additionally, SPS-EFT shall have the same rights to debit MERCHANT's account for transactions returned or not honored for any reason, including but not limited to insufficient funds, administrative returns, or any other kind of returned transaction. If MERCHANT has requested the SPS-EFT POS GUARANTEE CONVERSION service, and SPS-EFT has accepted the application for POS GUARANTEE CONVERSION service, certain transactions are guaranteed, as listed in the SPS-EFT POS GUARANTEE CONVERSION provisions below.**

9.2 CHARGEBACK AND RETURNS RESERVE ACCOUNT. Notwithstanding any other language to the contrary contained in this Agreement, SPS-EFT reserves the right to establish, without notice to MERCHANT, and MERCHANT agrees to fund a noninterest bearing Chargeback and Return Reserve Account, or demand other security and/or to raise any discount fee or transaction fee hereunder, upon SPS-EFT's reasonable determination of the occurrence of any of the following: (a) MERCHANT engages in any processing of charges which create an overcharge to the customer by duplication of charges; (b) **Failure by MERCHANT to fully disclose the true nature or percentage of its actual or expected losses due to insufficient funds transactions**, fraud, theft or deceit on the part of its customers, or due to administrative chargebacks/returns, or chargebacks or rejections by customers; (c) **Failure by MERCHANT to fully disclose the true nature of its business to SPS-EFT to permit a fully informed decision as to the suitability of MERCHANT for processing through SPS-EFT**; (d) Failure by MERCHANT to fully disclose the true ownership of MERCHANT'S business entity or evidence of fraud; (e) Processing by MERCHANT of unauthorized charges or any other action which violates applicable risk management standards of SPS-EFT or is likely to cause loss; (f) **Any misrepresentation made by MERCHANT in completion of the MERCHANT Application or breach of any other covenant, warranty, or representation contained in this Agreement** or applicable law including a change of type of business without prior written approval by SPS-EFT; (g) MERCHANT has chargebacks or returns of any kind which exceed 1% of the total number of transactions completed by MERCHANT in any thirty (30) calendar day period; (h) Excessive number of requests from customers or issuing banks for retrieval of documentation; (i) MERCHANT'S financial stability is in question or MERCHANT ceases doing business; or (j) Upon notice of or termination of this Agreement. After payment or adequate provision for payment is made by SPS-EFT, for all obligations on the part of MERCHANT to SPS-EFT under this Agreement, MERCHANT may request SPS-EFT to disburse to MERCHANT any funds remaining in the Chargeback and Return Reserve Account unless otherwise agreed to by SPS-EFT. Such funds will not be disbursed to MERCHANT until the end of one hundred eighty (180) days after termination of this Agreement or ninety (90) days from the date of the last chargeback or return activity, whichever is later, unless SPS-EFT in its sole discretion has reason to believe that customer chargeback rights may be longer than such period of time or that loss is otherwise likely, in which event SPS-EFT will notify MERCHANT of such fact and SPS-EFT will set the date when funds shall be released. No monies held in the Chargeback and Return Reserve Account shall bear interest. Provisions applicable to the designated account are also applicable to this account.

9.3 COLLECTIONS. MERCHANT acknowledges and agrees that when collection services are required, SPS-EFT may utilize an appropriately licensed third party to perform such collection services. MERCHANT further authorizes SPS-EFT to continue collection efforts for MERCHANT. If collections are unsuccessful after sixty (60) days, SPS-EFT shall discontinue collections and be absolved of all responsibility.

10.1 SPS-EFT POS GUARANTEE CONVERSION . The SPS-EFT POS GUARANTEE CONVERSION provisions are operational only if MERCHANT has marked the SPS-EFT POS GUARANTEE CONVERSION box on the application form of the Agreement. If so marked, MERCHANT wishes SPS-EFT to provide a guarantee for reimbursement of losses sustained by MERCHANT in accepting checks for electronic processing. In addition to the provisions previously set forth and notwithstanding any provisions to the contrary, SPS-EFT has established a per account Guarantee Limit, as per the Schedule (located in the Application Approval Box), based on a percentage of the face amount of any and all checks (and a local access [Transaction fee] fee) as set forth in the pricing section of the agreement) presented at MERCHANT's place of business or at other locations which are listed in any attachments to this Agreement, subject to the terms and conditions set forth in this Agreement. SPS-EFT shall reimburse MERCHANT per Schedule, up to the Guarantee Limit, as measured from the date of verification of non-payment, subject to MERCHANT's compliance with all of the terms and conditions contained in this Agreement or any of SPS-EFT's other published instructions. SPS-EFT shall have the right to adjust MERCHANT'S rate including SPS-EFT POS Guarantee Conversion rate based upon its sole determination. Each month MERCHANT shall have access to an itemized summary of electronic check deposits. SPS-EFT shall process up to the check limit established for MERCHANT, but will not be responsible for reimbursement of checks exceeding the MERCHANT's approved guarantee limit. The following transaction types are not included in the SPS-EFT POS GUARANTEE CONVERSION service, and SPS-EFT assumes no liability for and will provide no reimbursement for transactions as follows: Incorrect MICR data reads, unable to locate account or invalid account number returns, customer chargebacks or customer revocations of any transaction. **POS Guarantee Conversion reimbursement shall only serve to cover MERCHANT losses due to, NSF returns, and Insufficient Funds returns up to the per account guarantee limit placed in the approval section of the contract.**

10.2 MERCHANT SHALL PAY the fees as set forth on the Merchant Application. MERCHANT must promptly notify SPS-EFT in writing of any dispute regarding fees under this Agreement. MERCHANT'S written notice must include: (i) MERCHANT name and account number; and (ii) the dollar amount and description of the disputed fees. Such written notice must be received by SPS-EFT no later than ninety (90) days after the disputed fees have been paid by MERCHANT or charged to MERCHANT'S account by SPS-EFT. MERCHANT'S failure to so notify SPS-EFT will waive and bar the dispute.

10.3 CHECK PROCESSING. MERCHANT shall submit all documentation related to the POS GUARANTEE CONVERSION guaranteed transactions to SPS-EFT within forty-eight hours of SPS-EFT's request.

10.4 ASSIGNMENT OF CHECKS. As of the date of this Agreement and by subscribing to SPS-EFT POS GUARANTEE CONVERSION , MERCHANT shall be deemed to have assigned to SPS-EFT, without recourse, all of MERCHANT's right, title and interest in any and all checks, including any rights to treble or punitive damages permitted under applicable law. MERCHANT shall execute and deliver endorsements, instruments, and papers and shall do whatever is necessary under the laws of any applicable jurisdictions to secure and defend SPS-EFT's rights and shall do nothing to prejudice those rights. MERCHANT shall cooperate with SPS-EFT in pursuing SPS-EFT's rights, including suing or prosecution of the customer under all applicable laws.

10.5 NOTIFICATION OF PAYMENTS RECEIVED. MERCHANT shall notify SPS-EFT pursuant to the provision set forth in Section 5.3

11.1 CHECKS FOR WHICH MERCHANT WILL NOT BE REIMBURSED UNDER SPS-EFT POS GUARANTEE CONVERSION . In addition to the provisions set forth in this Agreement and notwithstanding any other provisions to the contrary, SPS-EFT shall have no obligation to reimburse MERCHANT for checks that are: (a) Not honored by the customer's financial institution because of the customer's instructions to "stop payment" on the check; (b) Fraudulent, whether MERCHANT, its employees or agents are involved, either as a principal or as an accessory, in the issuance; (c) Accepted by MERCHANT or its employees with advance knowledge of the likelihood of its being dishonored even though authorized by SPS-EFT; (d) Lost, stolen, altered or counterfeit, and SPS-EFT has reason to believe that MERCHANT failed to use reasonable care in verifying the customer's identity; (e) Given as a substitute for a previously accepted check, whether or not the previous check was authorized by Company or, any check upon which MERCHANT has accepted full or partial payment; (f) One of multiple checks presented to MERCHANT in a single transaction for electronic processing; (g) For goods, if the goods are subsequently returned by customer or repossessed by MERCHANT or lien holder, within 65 days of date of purchase; (h) Not honored by the customer's financial institution because of the failure of, the closing of, or government-imposed restrictions on withdrawals from the financial institution; (i) Checks for which MERCHANT returns cash back to the customer, unless MERCHANT is approved in writing by SPS-EFT for such cash back; (j) Checks for which SPS-EFT previously denied authorization; (k) Not in compliance with this agreement and not processed in accordance with the check processing provisions of this Agreement; (l) Incorrect MICR data scans or reads; (m) unable to locate account or invalid account number returns. In addition, before processing the check and as a condition to honoring the check, MERCHANT shall obtain sufficient personal information to locate the person presenting the check, including but not limited to a current home or business telephone number including area code, a current home address consisting of a street or rural route address, not a post office box, and the customer's valid, unexpired driver's license number or non-driver identification number together with the state of issuance. MERCHANT shall ensure that this identifying information is legibly printed on the check; (n) Checks must have a current phone number of customer imprinted or written on them; (o) Checks must have drivers license written on them.

12.1 COMPLIANCE AND DISCLOSURE OF INFORMATION. MERCHANT shall provide such information and certifications as SPS-EFT may reasonably require from time to time to determine MERCHANT'S compliance with the terms and conditions of this Agreement and applicable law. MERCHANT further agrees to produce and make available for inspection by SPS-EFT or its

officers, agents, attorneys, accountants, or representatives, such books and records of MERCHANT as SPS-EFT may deem reasonably necessary to be adequately informed of the business and financial condition of MERCHANT, or the ability of MERCHANT to observe or perform its obligations to SPS-EFT pursuant to this Agreement. MERCHANT further agrees to provide to SPS-EFT from time to time such information including, but not limited to, credit reports, personal and/or business financial statements, income tax returns, or other such information as SPS-EFT may request. MERCHANT grants to SPS-EFT continuing authority to conduct credit checks and background investigations and inquiries concerning MERCHANT and MERCHANT'S owner(s) including, but not limited to, character and business references and the financial condition of MERCHANT and MERCHANT'S owner(s). MERCHANT expressly authorizes SPS-EFT or its agents, attorneys, accountants, and representatives to provide and receive such information from any and all third parties directly, without further consent or authorization on the part of MERCHANT. SPS-EFT may share with others its credit, sales and other information. MERCHANT will not transfer, sell, or merge or liquidate its business or assets or otherwise transfer control of its business, change its ownership in any amount or respect, engage in any joint venture partnership or similar business arrangement, change its basic nature or method of business, types of products sold or engage in sales by phone or mail order without providing notice to SPS-EFT and provide SPS-EFT with the opportunity to terminate this Agreement.

12.2 COMPLIANCE WITH THE RULES AND APPLICABLE LAW. The Merchant's rights and obligations with respect to any Entry are governed by the NACHA Rules ("the Rules"), this Agreement and applicable law. The Merchant agrees to comply with and be bound by "the Rules". The Merchant agrees to comply with applicable state and federal law or regulation and Merchant warrants that it will not transmit any Entry that violates the laws of the United States, including, without limitation, regulations of the Office of Foreign Asset Control (OFAC).

13.1 DATA RETENTION. MERCHANT shall retain all records related to authorization, including all sales and credit receipts for a period of no less than two years following the date of the transaction. According to SPS-EFT'S current policy for SPS-EFT, MERCHANT shall stamp or mark "ACH processed" and hand the check back to the check writer. **If check is handed back to check writer then MERCHANT acknowledges that SPS-EFT will not be able to provide any check collection services beyond the third electronic presentment of the check. Failure to provide the signed authorization receipt to SPS-EFT will result in cessation of collection efforts, and SPS-EFT will be entitled to immediately debit MERCHANT'S account for any previously processed and returned transactions.**

14.1 ADDITIONAL MERCHANT REPRESENTATIONS. MERCHANT agrees to permit SPS-EFT to audit MERCHANT upon reasonable notice. MERCHANT agrees that any outstanding amount(s) owed to SPS-EFT shall be subject to a 1.5% finance charge monthly. Any outstanding sums will be sent to an outside collection agency and charged the maximum amount of civil, legal, and collection fees/charges as is allowed by law.

15.1 ADDITIONAL SPS-EFT RESPONSIBILITIES. SPS-EFT will accept entries via check reader hardware on a 24-hour per day basis. SPS-EFT is only responsible for processing entries that have arrived at its premises in a proper format and on a timely basis. SPS-EFT will use information provided by MERCHANT to originate its entries in the ACH. MERCHANT understands and agrees that SPS-EFT may reject MERCHANT's entries for any reason permitted in this Agreement and/or if acceptance of such entry would cause SPS-EFT to potentially violate any federal, state or local law, rule statute, or regulation, including without limitation any Federal Reserve or other regulatory risk control program. At MERCHANT's written request, SPS-EFT will make reasonable efforts to reverse or delete an entry, but will under no circumstance be liable for the failure to comply with such request.

16.1 INDEMNIFICATION. MERCHANT agrees to indemnify SPS-EFT for any cost, expense, and damage, lost profit and/or attorneys' fees caused by any breach of its obligations or representations in this Agreement.

17.1 NON-WAIVER. Neither the failure nor any delay on the part of SPS-EFT to exercise any right, remedy, power or privilege hereunder shall operate as a waiver thereof or give rise to an estoppel nor be construed as an agreement to modify the terms of this Agreement, nor shall any single or partial exercise of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver by a party hereunder shall be effective unless it is in writing and signed by the party making such waiver, and then such waiver shall apply only to the extent specifically stated in such writing.

18.1 ASSIGNMENT. MERCHANT may not assign or transfer any rights under this Agreement unless and until it receives the prior written approval of SPS-EFT. SPS-EFT may freely assign this Agreement, its rights, benefits and duties hereunder.

18.2 TERMINATION. This Agreement shall continue indefinitely unless and until terminated by either party. MERCHANT must provide sixty (60) days written notice to SPS-EFT of termination and monthly minimum and subscription fees will continue in effect for this time. If either party terminates this agreement a one-time fee of one hundred ninety nine dollars (\$199.00) will be assessed and electronically debited from MERCHANTS account. SPS-EFT shall have the right to suspend or terminate this Agreement immediately and without notice to MERCHANT.

19.1 COUNTERPARTS. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, such counterparts to constitute but one and the same instrument.

20.1 SCHEDULE OF FEES. Attached to this Agreement and incorporated herein by reference is a Schedule of Fees, which contains the Discount Fee, Transaction Fees, Minimum Monthly Discount Fee, Subscription Fee, Batch Out Fee, Termination Fee and other terms and conditions in effect on the commencement date of this Agreement. SPS-EFT reserves the right at all times to unilaterally change all or part thereof, or any other terms of this Agreement upon written notice to MERCHANT.

20.2 APPLICATION FEE. Any application fee paid to SPS-EFT is non-refundable whether or not MERCHANT and this Agreement are accepted by SPS-EFT.

21.1 ENTIRE AGREEMENT. This Agreement, including the attached Schedules, together with the Account Agreement, is the complete and exclusive statement of the agreement between SPS-EFT and the MERCHANT with respect to the subject matter hereof and supersedes any prior agreement(s) between SPS-EFT and the MERCHANT with respect to the subject matter. In the event of any inconsistency between the terms of this Agreement and the Account Agreement, the terms of this Agreement shall govern. In the event the performance of the services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future statute, regulation or government policy to which SPS-EFT, the Originating Depository Financial Institution (ODFI) or MERCHANT is subject, and which governs or affects transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy and SPS-EFT, the ODFI and MERCHANT shall incur no liability as a result of such changes except as provided in the following paragraph.

22.1 AMENDMENTS. As stated in paragraph 21.1, SPS-EFT, the ODFI or MERCHANT may amend operations or processing procedures in order to conform to and comply with any changes in the Rules or applicable Federal or State Regulations. The changes would be, without limitation, those relating to any cut-off time and the close of any business day. Such amendments to operations or procedures shall become effective upon receipt of written notice to the other party, as provided for herein, or upon such date as may be provided in the Rules or applicable law or regulation referenced in the written notice, whichever is earlier in time. Use of the ACH services after any such changes shall constitute acceptance of the changes by the parties. No other amendments or modifications to this Agreement will be effective unless such changes are reduced to writing and are signed by the duly authorized party or parties to this Agreement and such Amendments are incorporated into and made a part of this document.

23.1 BINDING AGREEMENT; BENEFIT This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors and assigns. This Agreement is not for the benefit of any other person or entity and no other person or entity shall have any right against SPS-EFT.

24.1 ATTORNEYS' FEES. In the event that it becomes necessary for SPS-EFT to employ an attorney to enforce, interpret, mediate or arbitrate this Agreement, or collect a debt from MERCHANT SPS-EFT shall be entitled to recover its reasonable attorneys' fees, costs, and disbursements related to such dispute from MERCHANT.

25.1 CHOICE OF LAW, VENUE & JURISDICTION. Notwithstanding any language to the contrary, all issues related to the electronic processing of checks under the terms of this Agreement shall be determined in accordance with the NACHA Rules. In the event of a conflict between the Rules and applicable local, state or federal law, the Rules shall prevail unless otherwise prohibited by law. To the extent that an issue arises which is not covered by the Rules, this Agreement shall be governed by and construed in accordance with Florida law and it is expressly agreed that venue and jurisdiction for all such matters shall lie in Okaloosa County, Florida. MERCHANT acknowledges that this Agreement was formed in Florida, upon its acceptance by SPS-EFT.

26.1 SEVERABILITY. If any provision of the Agreement is held to be illegal, invalid, or unenforceable, in whole or in part, by court decision, statute, or rule such holding shall not affect any other provisions of this Agreement. All other provisions or parts thereof shall remain in full force and effect and this Agreement shall, in such circumstances, be deemed modified to the extent necessary to render enforceable the provision hereof.

27.1 HEADINGS. The headings in this Agreement are used for referenced purposes only. They shall not be deemed as part of this Agreement and shall not affect its interpretation.

28.1 EFFECTIVE DATE. This Agreement shall be effective only upon acceptance by SPS-EFT.

29.1 In WITNESS WHEREOF the parties hereto have caused this Agreement to be executed by their duly authorized officers.

AMERICAN EXPRESS OPTBLUESM PROGRAM AGREEMENT

Important Note: BANK is not a party to the American Express OptBlue Program Agreement and has no responsibility under it. MERCHANT acknowledges and agrees that BANK and their affiliates have no obligation or liability whatsoever for: (1) AMERICAN EXPRESS transactions whether under the American Express OptBlue Program Agreement, the Merchant Transaction Processing Agreement or otherwise; or (2) any actions or omissions of ISO or AMERICAN EXPRESS. MERCHANT agrees that any claims or disputes arising out of the foregoing will be resolved without involving BANK and that BANK is entitled to rely on MERCHANT's agreements in this paragraph.

THIS Agreement ("AMERICAN EXPRESS OPTBLUE PROGRAM AGREEMENT"), by and between ISO and MERCHANT, shall become effective on the date executed or approved by a duly authorized representative of ISO.

ISO and MERCHANT shall be collectively known hereafter as the "Parties."

WHEREAS, First National Bank of Omaha, ISO, and MERCHANT are PARTIES to a Merchant Transaction Processing Agreement (together with its addenda, attachments, and schedules shall be hereinafter known as the "AGREEMENT"); and

WHEREAS, TSYS Acquiring Solutions, LLC has a relationship with American Express Travel Related Services Company, Inc. ("AMERICAN EXPRESS"); and

WHEREAS, the PARTIES desire to enter into this AMERICAN EXPRESS OPTBLUE PROGRAM AGREEMENT under which ISO will provide payment processing services as to AMERICAN EXPRESS transactions.

NOW THEREFORE, in consideration of the mutual promises made herein, and other valuable consideration, receipt and sufficiency of which are hereby acknowledged, the PARTIES do hereby agree as follows:

Terms set forth herein, which are typed in all capitalized letters and not defined herein, shall have the same meaning as set out in the AGREEMENT.

The terms of the AGREEMENT, including the Merchant Application, are hereby incorporated by reference into this AMERICAN EXPRESS OPTBLUE PROGRAM AGREEMENT, except that no references to BANK under the AGREEMENT shall apply herein.

MERCHANT agrees to pay ISO the FEES related to AMERICAN EXPRESS as set out on the Merchant Application.

The following terms and conditions apply to MERCHANT's participation in the AMERICAN EXPRESS OptBlueSM Program ("AMERICAN EXPRESS CARD ACCEPTANCE"):

MERCHANT's participation in AMERICAN EXPRESS CARD ACCEPTANCE is subject to the approval of AMERICAN EXPRESS. MERCHANT authorizes ISO and/or its affiliates to submit AMERICAN EXPRESS SALES To, and receive settlement on such SALES from, AMERICAN EXPRESS on behalf of MERCHANT.

MERCHANT agrees that ISO may disclose to AMERICAN EXPRESS information regarding MERCHANT and MERCHANT's SALES to AMERICAN EXPRESS, and that AMERICAN EXPRESS may use such information to perform its responsibilities in connection with AMERICAN EXPRESS CARD ACCEPTANCE, promote AMERICAN EXPRESS, perform analytics and create reports, and for any other lawful business purposes, including commercial marketing communications purposes within the parameters of AMERICAN EXPRESS CARD ACCEPTANCE, and important transactional or relationship communications from AMERICAN EXPRESS.

AMERICAN EXPRESS may use the information about MERCHANT obtained in the AGREEMENT at the time of setup to screen and/or monitor MERCHANT in connection with AMERICAN EXPRESS marketing and administrative purposes. MERCHANT agrees it may receive messages from AMERICAN EXPRESS, including important information about AMERICAN EXPRESS products, services, and resources available to its business. These messages may be sent to the mailing address, phone numbers, email addresses or fax numbers of MERCHANT. MERCHANT may be contacted at its wireless telephone number and the communications sent may include autodialed short message service (SMS or "text") messages or automated or prerecorded calls. MERCHANT agrees that it may be sent fax communications.

MERCHANT may opt-out of receiving future commercial marketing communications from AMERICAN EXPRESS by contacting ISO. Note that MERCHANT may continue to receive marketing communications while AMERICAN EXPRESS updates its records to reflect this choice. Opting out of commercial marketing communications will not preclude MERCHANT from receiving important transactional or relationship messages from AMERICAN EXPRESS.

MERCHANT acknowledges that it may be converted from AMERICAN EXPRESS CARD ACCEPTANCE to a direct relationship with AMERICAN EXPRESS if and when its SALES volumes exceed the eligibility thresholds for AMERICAN EXPRESS CARD ACCEPTANCE. If this occurs, upon such conversion, (i) MERCHANT will be bound by AMERICAN EXPRESS' then-current Card Acceptance Agreement; and (ii) AMERICAN EXPRESS will set pricing and other fees payable by MERCHANT.

MERCHANT shall not assign to any third party any payments due to it under AMERICAN EXPRESS CARD ACCEPTANCE, and all indebtedness arising from SALES will be for bona fide sales of goods and services (or both) at its business locations and free of liens, claims, and encumbrances other than ordinary sales taxes; provided, however, that the MERCHANT may sell and assign future SALES receivables to ISO, its affiliated entities and/or any other cash advance funding source that partners with ISO or its affiliated entities, without consent of AMERICAN EXPRESS. Notwithstanding the foregoing, ISO prohibits MERCHANT from selling or assigning future SALES receivables to any third party.

Notwithstanding anything in the AGREEMENT to the contrary, AMERICAN EXPRESS shall have third-party beneficiary rights, but not obligations, to the terms of the AGREEMENT applicable to AMERICAN EXPRESS CARD ACCEPTANCE to enforce such terms against MERCHANT.

MERCHANT may opt out of accepting AMERICAN EXPRESS at any time without directly or indirectly affecting its rights to accept other CARD BRANDS.

ISO shall have the right to terminate MERCHANT'S participation in AMERICAN EXPRESS CARD ACCEPTANCE immediately upon written notice to MERCHANT (i) if MERCHANT breaches any of the provisions of this AMERICAN EXPRESS OPTBLUE PROGRAM AGREEMENT or any other terms of the AGREEMENT applicable to AMERICAN EXPRESS CARD ACCEPTANCE, or (ii) for cause or fraudulent or other activity, or upon AMERICAN EXPRESS' request. In the event MERCHANT's participation in AMERICAN EXPRESS CARD ACCEPTANCE is terminated for any reason, MERCHANT must immediately remove all AMERICAN EXPRESS branding and marks from MERCHANT's website and wherever else they are displayed.

MERCHANT'S refund policies for AMERICAN EXPRESS SALES must be at least as favorable as its refund policy for purchase on any other CARD BRAND, and the refund policy must be disclosed to cardholders at the time of purchase and in compliance with LAWS. MERCHANT may not bill or attempt to collect from any cardholder for any AMERICAN EXPRESS SALE unless a CHARGEBACK has been exercised, MERCHANT has fully paid for such CHARGEBACK, and it otherwise has the right to do so.

MERCHANT must accept AMERICAN EXPRESS as payment for goods and services (other than those goods and services prohibited by this AMERICAN EXPRESS OPTBLUE PROGRAM AGREEMENT, the AGREEMENT, or the RULES) sold, or (if applicable) for charitable contributions made at all of its business locations and websites, except as expressly permitted by state statute. MERCHANT is jointly and severally liable for the obligations of MERCHANT's business locations and websites under the AGREEMENT.

In the event that MERCHANT or ISO is not able to resolve a Claim against AMERICAN EXPRESS, or a Claim against ISO or any other entity that AMERICAN EXPRESS has a right to join in resolving a Claim, this section explains how Claims can be resolved through arbitration. MERCHANT or AMERICAN EXPRESS may elect to resolve any Claim by individual, binding arbitration. Claims are decided by a neutral arbitrator.

If arbitration is chosen by any party, neither MERCHANT nor ISO nor AMERICAN EXPRESS will have the right to litigate that Claim in court or have a jury trial on that Claim. Further, MERCHANT, ISO, and AMERICAN EXPRESS will not have the right to participate in a representative capacity or as a member of any class pertaining or be a named party to a class-action with respect to any Claim for which any party elects arbitration. Arbitration procedures are generally simpler than the rules that apply in court, and discovery is more limited. The arbitrator's decisions are as enforceable as any court order and are subject to very limited review by a court. Except as set forth below, the arbitrator's decision will be final and binding. Other rights MERCHANT, ISO, or AMERICAN EXPRESS would have in court may also not be available in arbitration.

i. Initiation of Arbitration. Claims will be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Arbitration Agreement and the selected organization's rules in effect when the Claim is filed, except where those rules conflict with the AGREEMENT. Contact JAMS or AAA to begin an arbitration or for other information. Claims may be referred to another arbitration organization if all parties agree in writing, or to an arbitrator appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (FAA). Any arbitration hearing that MERCHANT attends shall take place in New York, New York unless all parties agree to an alternate venue.

ii. Limitations on Arbitration. If any party elects to resolve a Claim by arbitration, that Claim will be arbitrated on an individual basis. There will be no right or authority for any Claims to be arbitrated on a class action basis or on bases involving Claims brought in a purported representative capacity on behalf of the general public, other merchants or other persons or entities similarly situated. The arbitrator's authority is limited to Claims between MERCHANT, ISO, and AMERICAN EXPRESS. Claims may not be joined or consolidated unless all parties to this agreement agree in writing. An arbitration award and any judgment confirming it will apply only to the specific case brought by MERCHANT, ISO or AMERICAN EXPRESS and cannot be used in any other case except to enforce the award as between MERCHANT, ISO and AMERICAN EXPRESS. This prohibition is intended to, and does, preclude MERCHANT from participating in any action by any trade association or other organization against AMERICAN EXPRESS. Notwithstanding any other provision and without waiving the right to appeal such decision, if any portion of these *Limitations on Arbitration* is deemed invalid or unenforceable, then the entire Arbitration provision (other than this sentence) will not apply.

iii. Previously Filed Claims/No Waiver. MERCHANT, ISO, or AMERICAN EXPRESS may elect to arbitrate any Claim that has been filed in court at any time before trial has begun or final judgment has been entered on the Claim. MERCHANT, ISO, or AMERICAN EXPRESS may choose to delay enforcing or to not exercise rights under this arbitration provision, including the right to elect to arbitrate a Claim, without waiving the right to exercise or enforce those rights on any other occasion. For the avoidance of any confusion, and not to limit its scope, this section applies to any class-action lawsuit relating to the "Honor All Cards," "non-discrimination," or "no steering" provisions of the American Express Merchant Regulations, or any similar provisions of any prior American Express Card acceptance agreement, that was filed against AMERICAN EXPRESS prior to the effective date of the AGREEMENT.

iv. Arbitrator's Authority. The arbitrator shall have the power and authority to award any relief that would have been available in court, including equitable relief (e.g., injunction, specific performance) and cumulative with all other remedies, shall grant specific performance whenever possible. The arbitrator shall have no power or authority to alter the AGREEMENT or any of its separate provisions, including this section, nor to determine any matter or make any award except as provided in this section.

v. Split Proceedings for Equitable Relief. MERCHANT, ISO, or AMERICAN EXPRESS may seek equitable relief in aid of arbitration prior to arbitration on the merits to preserve the status quo pending completion of such process. This section shall be enforced by any court of competent jurisdiction, and the party seeking enforcement shall be entitled to an award of all reasonable attorneys' fees and costs, including legal fees, to be paid by the party against whom enforcement is ordered.

vi. Small Claims. AMERICAN EXPRESS shall not elect to use arbitration under this section for any Claim MERCHANT properly files in a small claims court so long as the Claim seeks individual relief only and is pending only in that court.

vii. Governing Law/Arbitration Procedures/Entry of Judgment. This arbitration section is made pursuant to a transaction involving interstate commerce and is governed by the FAA. The arbitrator shall apply New York law and applicable statutes of limitations and shall honor claims of privilege recognized by law. The arbitrator shall apply the rules of the arbitration organization selected, as applicable to matters relating to evidence and discovery, not the federal or any state rules of civil procedure or rules of evidence, provided that any party may request that the arbitrator to expand the scope of discovery by doing so in writing and copying any other parties, who shall have fifteen (15) days to make objections, and the arbitrator shall notify the parties of his/her decision within twenty (20) days of any objecting party's submission. If a Claim is for \$10,000 or less, MERCHANT or AMERICAN EXPRESS may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the rules of the selected arbitration organization. At the timely request of a party, the arbitrator shall provide a written and reasoned opinion explaining his/her award. The arbitrator's decision shall be final and binding, except for any rights of appeal provided by the FAA. If a Claim is for \$100,000 or more, or includes a request for injunctive relief, (a) any party to this AGREEMENT shall be entitled to reasonable document and deposition discovery, including (x) reasonable discovery of electronically stored information, as approved by the arbitrator, who shall consider, *inter alia*, whether the discovery sought from one party is proportional to the discovery received by another party, and (y) no less than five depositions per party; and (b) within sixty (60) days of the initial award, either party can file a notice of appeal to a three-arbitrator panel administered by the selected arbitration organization, which shall reconsider *de novo* any aspect requested of that award and whose decision shall be final and binding. If more than sixty (60) days after the written arbitration decision is issued the losing party fails to satisfy or comply with an award or file a notice of appeal, if applicable, the prevailing party shall have the right to seek judicial confirmation of the award in any state or federal court where MERCHANT's headquarters or MERCHANT's assets are located.

viii. Confidentiality. The arbitration proceeding and all testimony, filings, documents, and any information relating to or presented during the proceedings shall be deemed to be confidential information not to be disclosed to any other party. All offers, promises, conduct, and statements, whether written or oral, made in the course of the Claim resolution process, including but not limited to any related negotiations, mediations, arbitration, and proceedings to confirm arbitration awards by either party, its agents, employees, experts or attorneys, or by mediator or arbitrator, including any arbitration award or judgment related thereto, are confidential and inadmissible for any purpose, including impeachment or estoppel, in any other litigation or proceeding involving any of the parties or non-parties; provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non discoverable as a result of its use in the negotiation, mediation, or arbitration.

ix. Costs of Arbitration Proceedings. MERCHANT will be responsible for paying MERCHANT's share of any arbitration fees (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees MERCHANT would have incurred if MERCHANT had brought a Claim in court. AMERICAN EXPRESS will be responsible for any additional arbitration fees. At MERCHANT's written request, AMERICAN EXPRESS will consider in good faith making a temporary advance of MERCHANT's share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

x. Additional Arbitration Awards. If the arbitrator rules in MERCHANT's favor against AMERICAN EXPRESS for an amount greater than any final settlement offer AMERICAN EXPRESS made before any arbitration award, the arbitrator's award will include: (1) any money to which MERCHANT is entitled as determined by the arbitrator, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees incurred by MERCHANT.

xi. Definitions. For purposes of the above arbitration provisions only, (i) AMERICAN EXPRESS includes any of its affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables, and all agents, directors, and representatives of any of the foregoing, and (ii) MERCHANT includes any of MERCHANT's affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables and all agents, directors, and representatives of any of the foregoing, and (iii) Claim means any allegation of an entitlement to relief, whether damages, injunctive or any other form of relief, against AMERICAN EXPRESS or against ISO or any other entity that AMERICAN EXPRESS has the right to join in resolving a Claim, including, a transaction using an AMERICAN EXPRESS product or network or regarding an AMERICAN EXPRESS policy or procedure.

Except as expressly permitted by LAWS, MERCHANT must not:

- o indicate or imply that it prefers, directly or indirectly, any other CARD BRANDS over AMERICAN EXPRESS,
- o try to dissuade cardholders from using AMERICAN EXPRESS,
- o criticize or mischaracterize AMERICAN EXPRESS or any of its services or programs,
- o try to persuade or prompt cardholders to use any other CARD BRANDS or any other method of payment (e.g., payment by check),
- o impose any restrictions, conditions, disadvantages or fees when AMERICAN EXPRESS is accepted that are not imposed equally on all other CARD BRANDS, except for electronic funds transfer, or cash and check,
- o suggest or require cardholders to waive their right to dispute any SALE,
- o engage in activities that harm the AMERICAN EXPRESS business or brand (or both),
- o promote any other CARD BRAND (except MERCHANT's own private label card that MERCHANT issues for use solely at MERCHANT's business locations and websites) more actively than MERCHANT promotes AMERICAN EXPRESS, or
- o convert the currency of the original SALE to another currency when requesting authorization or submitting SALES (or both).

MERCHANT may offer discounts or in-kind incentives from MERCHANT's regular prices for payments in cash, ACH funds transfer, check, debit card or credit/charge card, provided that (to the extent required by LAWS): (i) MERCHANT clearly and conspicuously disclose the terms of the discount or in-kind incentive to MERCHANT's customers, (ii) the discount or in-kind incentive is offered to all of MERCHANT's prospective customers, and (iii) the discount or in-kind incentive does not differentiate on the basis of the issuer or, except as expressly permitted by applicable state statute, payment card network (e.g., Visa, Mastercard, Discover, JCB, American Express). The offering of discounts or in-kind incentives in compliance with the terms of this paragraph will not constitute a violation of the provisions set forth above.

Whenever payment methods are communicated to customers, or when customers ask what payments are accepted, MERCHANT must indicate MERCHANT's acceptance of AMERICAN EXPRESS and display AMERICAN EXPRESS' marks (including any AMERICAN EXPRESS card application forms provided to MERCHANT) as prominently and in the same manner as any other CARD BRANDS. MERCHANT must not use the AMERICAN EXPRESS marks in any way that injures or diminishes the goodwill associated with the mark, nor (without prior written consent from ISO) indicate that AMERICAN EXPRESS endorses MERCHANT's goods or services. MERCHANT shall only use the AMERICAN EXPRESS marks as permitted by the AGREEMENT and shall cease using AMERICAN EXPRESS' marks upon termination of the AGREEMENT. For additional guidelines on the use of the AMERICAN EXPRESS marks, contact ISO.

Any and all cardholder information is confidential and the sole property of the applicable issuer, AMERICAN EXPRESS or its affiliates. Except as otherwise specified, MERCHANT must not disclose cardholder information, nor use nor store it, other than to facilitate SALES at MERCHANT's business locations and websites in accordance with the AGREEMENT.

MERCHANT must ensure that it and any third parties it enlists to facilitate SALES processing complies with the American Express Technical Specifications (available at www.tsystransactionssummary.com) (valid and accurate data must be provided for all data elements in accordance with the American Express Technical Specifications). Failure to comply with the American Express Technical Specifications may impact Merchant's ability to successfully process SALES. MERCHANTS may be assessed non-compliance fees if

MERCHANT fails to comply with the Technical Specifications. To ensure compliance with the Technical Specifications, MERCHANTS should work with ISO.

MERCHANT must comply with and assure that Merchant Providers comply with the American Express Data Security Operating Policy ("DSOP") (found at www.americanexpress.com/datasecurity), the American Express Program Merchant Data Security Requirements (found at www.cpay.com/amexterms) and the American Express Information Protection Contract Requirements (IPCR) (found at www.cpay.com/amexterms).
